President's Report - Andrew Maclay

- Travel Balls - we'll use gift certificates from Dick's Sporting Goods to purchase one (1) good game ball for each travel team
- Logo - a travel coach put together a Spirit Wear order for just their team through Elaine's. A. Maclay likes the idea but going forward would like the logo/design approved by the Board and be available for all travel teams to purchase.
- JC3 - up and rolling. Clinic is starting either 12/7 or 12/14 (5 total dates). A. Maclay sent them the names and contact info for our referees from last year.
- Big thank you to Dr. Turnamian and RTBOE for getting the courts at CMS recoated and they'll be completely redone over the summer.
- Late September A. Maclay received an email from JC3 asking if the league would be interested in having our 7th/8th grade Rec teams participate in their travel-style program for Rec teams. Their program is not as competitive as travel but still gives the players the opportunity to play outside towns. We have spoken about teaming up with Denville's Rec program for this year. We will pass on participating in JC3's program this year.

Registrar's Report - Michael Johnson

- 1st/2nd - 144; 3rd - 48 (6 teams); 4th - 58 (6 teams) no more than 60; 5th/6th - 99 (10 teams) no more than 100; 7th/8th - 81 (8 teams)
- Payment Plan - M. Johnson has been sending reminders to families that opted into the payment plan.

Travel Director's Report - Michael Johnson

- Next week is Lakeland meeting and they will receive travel schedule at that point.
- All travel apparel has been ordered.

Grade 7/8 Director's Report - Steve Koenigsberg

- Evals are Friday night at CMS.

Grade 5/6 Director's Report - Howard Kritz

- Evals are Friday night at CMS.

Grade 4 Director's Report - Tom Gazsy

- Evals will be 11:00 a.m. this Saturday at CMS.
- T. Gazsy received an email from a parent recommending a way to run the draft to prevent "stacked" teams and/or uneven teams. T. Gazsy reached out to other Board members asking for feedback. (See Steve's email)
- T. Gazsy is up to six head coaches but still needs a few more assistant coaches.

Grade 3 Director's Report - Troy Toriello

- T. Toriello will get players assigned to teams by the end of next weekend.

Grade 1/2 Clinic Director's Report - Rich Lampmann

- Looking at 6 girls teams and 8 boys teams (83 players); looking into creating more teams with fewer players than previous years.
- R. Lampmann will get players assigned to teams by the end of next weekend.

New Business

- Spirit wear - M. Hartsuiker reached out to a current parent to see if they would be interested in creating a new design for our spirit wear. As soon as she hears back, she'll reach out to the Board.
