2017 SPONSORSHIPS

Business Owners:

The Manchester Girls Softball League (MGSL) has been providing recreational softball for girls in Manchester and surrounding communities for over 40 years. MGSL currently has more than 220 girls playing fast pitch softball under the Babe Ruth and ASA charters. The league teaches the fundamentals of softball in a fun family environment. MGSL provides girls ages 4 to 18 a fun and challenging fast pitch softball league. Our league is designed for girls to learn the basics and improve these skills throughout our four age divisions. We also strive to provide a clean, top-notch facility for our player and fans. All games are played at the Padden Field complex located off of Bridge Street Extension.
