

**Tournament Rules and Guidelines
for Little League Baseball, 8- to 10-Year Old Division Baseball,
9- to 11-Year-Old Division, Intermediate (50-70) Division, Junior League,
Senior League, and Big League Baseball**

Points of Emphasis in Bold Italic

Tournament play started in Little League in 1947. Conduct of tournament play by District Administrators began in 1956 following the first Little League International Congress. Today, responsibility for scheduling and supervising all district tournament games comes under jurisdiction of the District Administrator. Little League International has the right to appoint Tournament Directors at other levels of tournament play.

The Tournaments of Little League have grown year by year until today they have become the outstanding, in fact, the only exposure that the majority of the public sees. In many cases, they are the criterion by which Little League is judged. Proper conduct at tournament time imposes a large responsibility upon all concerned. Good judgment and exemplary disciplines are demanded if Little League tournaments of the future are to remain worthwhile in the public esteem.

The Little League Baseball Tournament, 8- to 10-Year-Old Division Baseball Tournament, 9- to 11-Year-Old Division Baseball Tournament, Intermediate (50-70) Division, Junior League, Senior League and Big League Tournaments are authorized by the Little League International Board of Directors. Leagues which exercise the option to participate in Tournament Play must pledge they will do so with full knowledge of the rules and in agreement that the rules will be upheld.

RULES: Except where noted in these Tournament Rules and Guidelines, the Little League Baseball Official Regulations and Playing Rules will be used in the conduct of the 8- to 10-Year-Old Division Tournament, the 9- to 11-Year-Old Division Tournament, the Little League Baseball Tournament, the Intermediate (50-70) Division, Junior League, Senior League and Big League Tournaments.

8- to 10-Year-Old Division & 9- to 11-Year-Old Division: The objective of the 8- to 10-Year-Old Division and 9- to 11-Year-Old Division Tournament is to provide eight-, nine- and ten- year-old players, and nine-, ten- and eleven-year-old players, the opportunity to participate in a baseball tournament at the District, Sectional, and State levels at the conclusion of the regular season. Leagues are strongly encouraged to place the maximum number of players (14) on the Tournament Affidavit, thereby giving more players the opportunity to participate.

Responsibility and Chain of Command

It should be clearly understood by Tournament Directors and league presidents that operation of the annual tournaments in Little League come under a different authority and jurisdiction from that normally observed during the playing season. It is, in fact, a whole new ball game. Once the tournament season starts, authority is vested solely in the Tournament Committee at Williamsport.

There will be no waivers, resorting to local rules, or other variation unless granted explicitly from Williamsport. To administer the tournament properly and scale down thousands of teams to two finalists in the limited time afforded by the tournament season is

TOURNAMENT RULES AND GUIDELINES

an undertaking requiring considerable disciplines.

Once the tournament starts, it must proceed without interruption. If protests or disputes occur which cannot be settled by the umpires or Tournament Director through immediate and concise application of the rules, an appeal must be made through proper channels promptly to prevent a major blockage or loss of momentum.

Revocation of tournament privileges or forfeiture of a tournament game may be decided only by the Tournament Committee at Williamsport. Should a problem arise that cannot be resolved while a game is in progress, the game must be suspended by the Umpire-in-Chief and the problem referred immediately to the Tournament Director. If not resolved, it must be referred to the Regional Director. If still unresolved, it will be referred to the Tournament Committee in Williamsport. If the Tournament Committee deems any player to be ineligible, by league age, residency or school attendance, participation in other programs, or participation in less than sixty (60) percent [**Big League:** forty (40) percent] of the regular season games, it may result in forfeiture of tournament game(s), and/or suspension or removal of personnel from tournament play, and/or suspension or removal of personnel or teams from further Little League activities, and/or suspension or revocation of the local league's charter. These actions can only be taken by the Tournament Committee in Williamsport.

The Tournament Committee and the individual Regional Directors may appoint agents to act on their behalf, and any person so appointed shall have the authority to act as, and exercise the duties of, the Tournament Committee or the individual Regional Directors.

The Tournament Committee also reserves the right in its sole discretion to impose any of the above penalties if, in its judgment, any player, manager, or coach displays unsportsmanlike conduct, "makes a travesty of the game," or repeatedly/willfully violates any rules, regulations, or policies contained herein during the game, at the game site, or at any event related to the International Tournament. The Committee also reserves the right to impose any penalty the Committee deems appropriate, if the committee determines action is necessary to correct a situation brought to its attention, regardless of the source of that information. The decision of the Tournament Committee is final and binding.

Knowledge of the rules must be guaranteed before a Tournament Director is declared qualified. All Tournament Directors will undergo a thorough and instructive briefing session prior to taking on their duties, must signify that they understand the rules, and regardless of personal feelings, they are in full agreement and can interpret them properly. At the time of the district tournament meeting, it will be required that each league president or the representative in attendance signify that the league and tournament team managing personnel are knowledgeable of Tournament Rules and are in full agreement with these conditions.

Selection of Tournament Teams (Recommended Method)

Little League would gain immeasurably in esteem of the public if all tournament teams were selected by the players themselves. Players relish the challenge of competition, but their anxiety to excel is in balance with an intuitive respect and admiration for teammate and opponent alike who demonstrate superior ability and skill.

1. It is not required that players be selected for the position they occupy during the regular season. For example, a pitcher who is also a good outfielder or infielder may be placed on the roster and used in whatever position the manager deems to be of advantage.
2. Tournament team candidates should be selected upon their playing ability and eligibility.

The roster should include sufficient pitching strength to meet tournament schedules.

3. The following plan was presented to the International Congress, Washington, D.C., 1965, as a guideline, taken from the experience of the International Advisory Council. The principle is to have all components of a league determine and participate in fair and democratic selection of the tournament team. This would eliminate many of the complaints, abuses, pressures, and charges of favoritism which are directed toward the league president. The following groups should each select its tournament team.
 - Group 1 - Players
 - Group 2 - League Officers
 - Group 3 - Team Managers
 - Group 4 - Team Coaches
 - Group 5 - Volunteer Umpires

Every player on the eligible teams is entitled to vote. Each group submits its list of players at a meeting of the Board of Directors of the league. The names are to be read and counted from each of the groups, and the players in the order of total votes received will become eligible for the tournament team.

Where more than one player has an equal number of votes to qualify for the last position or positions, final selection should be made by a majority vote of the Board of Directors at the time of the meeting.

NOTE: Method of selection is to be determined by the local league Board of Directors.

Tournament Organization

Teams

Each chartered league shall be eligible to enter a team. Alternates are not authorized.

(NOTE: In the 8- to 10-Year-Old Division and 9- to 11-Year-Old Division, a league may enter more than one tournament team with the District Administrator's approval.)

Where two or more charters have combined to form a single program, a tournament team must be selected for each charter composed of players from within its own chartered area. Exceptions can only be made by the Charter Committee.

Tournament teams and Eligibility Affidavit shall consist of, and must be limited to, a maximum of fourteen (14) players, one (1) manager, and a maximum of two (2) coaches.

Senior League: Teams and Eligibility Affidavit shall consist of, and must be limited to, a maximum of sixteen (16) players, one (1) manager, and a maximum of two (2) coaches.

Big League: Tournament teams may be selected from all league teams in a district or may be a regular season unit team. Teams and Eligibility Affidavit shall consist of, and must be limited to, a maximum of seventeen (17) players, one (1) manager, and a maximum of two (2) coaches.

Managers and Coaches

The District Administrator or District Staff shall not serve as manager or coach. The league president may be eligible for selection by the local league Board of Director to coach or manage with written approval from their respective District Administrator.

Little League: The manager and coach(es) shall be regular season team managers and/or coaches from the Little League Baseball (Major) Division.

TOURNAMENT RULES AND GUIDELINES

8- to 10- Division & 9- to 11-Year Old Division: The manager and coach(es) shall be regular season team managers and/or coaches from the Little League Baseball (Major) Division or Minor League Division.

Intermediate (50-70) Division: The manager and coach(es) shall be regular season team managers and/or coaches from the Intermediate (50-70) Division.

Junior League: The manager and coach(es) shall be regular season team managers and/or coaches from the Junior Division or Senior Division.

Senior League: The manager and coach(es) shall be regular season team managers and/or coaches from the Junior Division, Senior Division, or Big League Division.

Big League: The manager and coach(es) shall be regular season team managers and/or coaches from the Senior Division or Big League Division.

Umpires

The Tournament Director shall have full responsibility for providing volunteer Little League umpires for tournament play. Umpires from leagues involved in the game should not be assigned. The District Administrator shall not umpire.

There should be at least two umpires in each game. More are recommended when available.

The designated Umpire-in-Chief for each game must be an adult.

Tournament Eligibility Affidavit

It shall be the league president's responsibility to review and certify the birth records (league age) by viewing the original birth record and residence or school attendance (as defined by Little League Baseball, Incorporated) of all players. When the league finally decides on the makeup of the team, names must be entered on the league's Eligibility Affidavit. Once the District Administrator certifies the Eligibility Affidavit, the tournament team will be required to have in its possession:

1. the Eligibility Affidavit;
2. a map, signed and dated by the league president and District Administrator, showing the actual boundaries of the league, with locations noted for the residences of the parent or legal guardian (court-appointed) or location of the school for every participant named on the affidavit;
3. tournament verification form for each player (strongly recommended);
4. three or more documents to determine residency of the parent(s) or legal guardian (court-appointed) or a document to support school attendance/enrollment for each player named on the tournament affidavit;
5. **waivers (i.e. II(d), IV(h), Charter Committee, etc...)**

IMPORTANT: Alternates are not authorized. They shall not accompany the team and shall not be listed on the Eligibility Affidavit.

Eligibility Affidavit must be certified by the District Administrator or his or her designated appointee and presented by the team manager to the Tournament Director before every game. Each Tournament team must have twelve (12) eligible players for the District Administrator to certify. **EXCEPTION:** A District Administrator may certify the

Eligibility Affidavit for those teams that provide a justifiable reason for not having twelve (12) players. **NOTE:** The Eligibility Affidavit becomes official once the team plays its first tournament game.

Player Participation In Other Programs

Player participation in other programs during the International Tournament is permitted, subject to the provisions of Regulation IV(a) NOTE 2.

Release of Names

The release of names of players selected for the tournament team shall not be made before **June 1**, and not until the availability and eligibility of all prospective team members have been established. (The Little League group accident insurance program underwritten by an AIG member company for tournament teams will not go into effect until **June 1**, or the date of the release of the names of Tournament team members, whichever is earlier).

Violation of this rule may be cause for revocation of tournament privilege by the Tournament Committee.

League Eligibility

In order for a Little League program to be eligible to enter a team or teams into the International Tournament (including 8- to 10-Year-Old Division and 9- to 11-Year-Old Division) the following must be accomplished as indicated:

- 1) The league must be chartered in **an age appropriate division(s)** for which it wishes to enter a tournament team(s), no later than **June 1, 2016**. **Examples:** Chartered in Little League (Majors) to enter a Major Division team (10- to 12-year-olds); chartered in Senior League to enter a Junior, Senior, or Big League Division team, etc.
- 2) The league must have scheduled and played, at a minimum, a 12-game (per team) regular season, exclusive of playoffs and tournament games, for each division entering tournament **prior to the first game in their respective tournament**. See Reg. VII.
- 3) All waiver requests (for the league, team, player, manager, and/or coach) of any kind must be submitted and approved not later than **June 1, 2016**.
- 4) Team number revisions and fees incurred by the league must be paid in full by **June 1, 2016**.
- 5) All combined team and interleague play requests that may involve tournament play must be submitted and approved not later than **June 1, 2016**.

Failure to meet any of the listed requirements could result in a team or teams being declared ineligible by the Tournament Committee at Little League International.

NOTE: For the purposes of qualifying for a Big League International Tournament Team under this rule, participation is considered as having completed one or more of the following:

1. The player bats one (1) time - which is defined as entering the batter's box with no count and completing that time at bat by being retired or by reaching base safely; or
2. The player enters the game in one of nine (9) defensive positions and occupies

such position for one (1) defensive out or one (1) at-bat; or

3. The player is entered as a special pinch runner and scores, is retired or three (3) outs end the inning.

EXCEPTION: The local league Board of Directors may permit a player to be eligible for selection, who does not meet the 60 percent (60%) requirement (Big League: 40 percent (40%) requirement), if they provide a physician's note documenting an injury or illness prior to or during the current season prohibiting his/her participation and such note releases the player for the balance of the Regular Season and/or Tournament Play.

NOTE 1: Consistent with a manager's ability to conduct the affairs of his or her team, a manager may disqualify a player from the team for the current season, subject to Board of Directors approval, if the player repeatedly misses practice or games.

NOTE 2: The Big League, Senior League, and Junior League Tournaments are divided by age, without regard to the regular season division in which a player participates, as noted above.

CONDITION 1: Participation must be within the chartered league/district named on the Eligibility Affidavit unless written approval is granted by the respective Regional Director and Charter Committee.

CONDITION 2: A player who is not able to participate in a number of local league regular season games because of participation in a school baseball program will receive an adjustment on the minimum participation in games required under this rule.

EXAMPLE: If, for any given division, Team A played 20 regular season games before June 15, and a player missed 10 games because of participation in a school baseball program, that player is required to have participated in only six (6) regular season games to be eligible for the Tournament Team.

CONDITION 3: A player may be named to the roster of, and practice with, only ONE Little League International Tournament Team. Once the affidavit is signed by the local league president, player agent, and District Administrator (or their representatives), the players listed on the affidavit shall not be eligible to participate on any other Little League International Tournament Team for the current year.

Baseball players league age 9, 10, 11, 12, 13, 14, 15, and 16 may be eligible for selection to multiple tournament teams. These players may only be selected to one tournament team. Under no circumstances may these players be chosen for, practice with, or participate with more than one tournament team.

Violation of this rule may be cause for revocation of tournament privilege by the Tournament Committee.

Tournament Requirement for Non-Citizens

A participant who is not a citizen of the country in which he/she wishes to play, but meets residency or school attendance requirements as defined by Little League, may participate in that country if:

1. his/her visa allows that participant to remain in that country for a period of at least one year, or;
2. the prevailing laws allow that participant to remain in that country for at least one year, or;

TOURNAMENT RULES AND GUIDELINES

- the participant has an established bona fide residence in that country for at least two years prior to the start of the regular season.

Exceptions can only be made by action of the Charter Committee in Williamsport.

Liability: Liability Insurance must be carried by the league on whose field tournaments are played as well as all leagues who participate in the tournament. Minimum coverage of \$1,000,000 single limit, bodily injury, and property damage. The policy must include coverage for claims arising out of athletic participants.

If insurance is purchased locally, a copy of the policy must be on file at Little League International.

Any player, manager, or coach listed on the Eligibility Affidavit who is unable to participate because of injury, illness, vacation, or other justifiable reason may be replaced by another eligible person. If a player, manager, or coach is replaced, that person may not be returned to the Tournament Affidavit. Permanent replacements must be from the league's regular season teams and shall be recorded and approved by the District Administrator or Tournament Director in the space provided on the back of the Eligibility Affidavit.

Exception: If a manager or coach is unable to attend a game for a justifiable reason, a Tournament Director could approve a temporary replacement as outlined in the Little League Tournament Team Eligibility Affidavit. NOTE 3: Consult approved schedules for specific dates. Tournament dates may vary.

Tournament Team Practice

Try-outs or practices by tournament teams shall not be held before **June 1**. Tournament team practice may only take place against other teams within the same or contiguous districts in the same division, providing such practice is done out of uniform. (The Little League group accident insurance program underwritten by an AIG member company for tournament teams will not go into effect until **June 1**, or the date of the release of the names of tournament team members, whichever is earlier.)

Violation of this rule may be cause for revocation of tournament privileges by the Tournament Committee.

Selection of Fields

Local leagues selected to host a Section, State, Division, Region, or World Series tournament must have an approved ASAP safety plan.

All games shall be played upon Little League fields approved by the Tournament Director. Exception to this rule can only be made with the consent of the Regional Director.

TOURNAMENT RULES AND GUIDELINES

the Section tournament level and above may be submitted to the Tournament Committee in Williamsport (through the District Administrator/Tournament Director and Regional Office). An artificial mound must not be used at the Section level and above unless approved in writing by the Tournament Committee for a specific tournament site/level, and only for the current year. The Tournament Director or assistant shall judge fitness of the playing field before the game starts.

NOTE 1: An inning starts the moment the third out is made completing the previous inning.

NOTE 2: Neither Tournament Directors and officials nor tournament teams are permitted to circumvent the curfews established above by continuing, suspending and restarting, or starting a game after curfew has been reached and play is required to be terminated. If the curfew noted above occurs during a game suspended in accordance with Tournament Playing Rule 11, that game must not be continued after the curfew. It must either be resumed on a subsequent day, or declared ended, as determined by rule.

Starting Time of Games

A game shall not be started unless the Tournament Director or assistant judges there is adequate time to complete the game before darkness or curfew.

Either the Umpire-in-Chief, Tournament Director or District Administrator will call the Regional Headquarters at this time.
5. If the managers do not accept the decision of the Regional Director (or his/her designated agent), either may insist that the matter be referred to the Tournament Committee in Williamsport. The decision of the Tournament Committee shall be final and binding.

NOTE 1 - PROTESTS INVOLVING PLAYING RULES NOT RESOLVED BEFORE THE NEXT PITCH OR PLAY SHALL NOT BE CONSIDERED.

NOTE 2 - UMPIRES, TOURNAMENT DIRECTORS, AND DISTRICT ADMINISTRATORS DO NOT HAVE THE AUTHORITY TO DECLARE A FORFEITURE UNDER ANY CIRCUMSTANCES.

B. The use of an ineligible pitcher.

Ineligibility under this rule applies to violations of Tournament Playing Rule 4. If an ineligible pitcher delivers one or more pitches to a batter, that game is subject to protest and action by Tournament Committee in Williamsport.

PENALTY: See Tournament Rule 4(i).

C. The use of an ineligible player.

Ineligibility under this rule applies to league age, residence or school attendance (as defined by Little League Baseball, Incorporated), participation in other programs, participation as an eligible player for sixty (60%) percent [**Big League:** forty (40%) percent] of the regular season in the proper division, or violation of Regulation I-XVII.

 - (b) The Tournament Director or District Administrator must contact the Regional Director (or his/her appointed agent), who shall contact the Tournament Committee for a decision. The decision of the Tournament Committee shall be final and binding.

In addition to the penalties described above in A, B, and C, the Tournament Committee may disqualify a player, team, or entire league from tournament play. The Tournament Committee may take action as a result of a protest or on its own initiative. Disqualification of a team or player(s) and/or forfeiture of a game must be the decision of the Tournament Committee at Williamsport, and such decisions will be made prior to the continuation of the affected team(s) or player(s) in further tournament play.

NOTE: All officials, including all managers, coaches, scorekeepers, umpires, Tournament Directors, District Administrators, etc., should make every effort to prevent a situation that may result in the forfeiture of a game or suspension of tournament privileges.

However, failure by any party to prevent such situations shall not affect the validity of a protest.

Must Play To Advance

A team shall not advance from one level of Tournament to a higher level of tournament play without first having competed against and defeated a scheduled opponent at the tournament level from which it is seeking to advance. Any team advancing without play must do so with the approval of the Regional Director.

It is suggested the same be available to news media if requested.
 - a. In all Tournament levels and divisions, the penalty for use of an illegal bat [see Rule 6.06 (d)], if discovered before the next player enters the batter’s box following the turn at bat of the player who used an illegal bat, is:
 - i. The batter is out (**NOTE:** The manager of the defense may advise the plate umpire of a decision to decline this portion of the penalty and accept the play. Such election shall be made immediately at the end of the play), and;
 - ii. The manager of the team will be ejected from the game, the batter who violated the rule will be ejected from the game, and the offensive team will lose one eligible adult base coach for the duration of the game.

- c. Pitchers once removed from the mound may not return as pitchers. **Intermediate (50-70) Division/Junior League:** A pitcher remaining in the game, but moving to a different position, can return as a pitcher anytime in the remainder of the game, but only once per game.
- d. The manager must remove the pitcher when said pitcher reaches the pitch limit for his/her age group as noted below, but the pitcher may remain in the game at another position:

League Age:	13 - 14	95 pitches per day
	11 - 12	85 pitches per day
	9 - 10	75 pitches per day
	8	50 pitches per day

EXCEPTION: If a pitcher reaches the pitch limit imposed above for his/her league age while facing a batter, the pitcher may continue to pitch until any one of the following conditions occurs: (1) That batter reaches base; (2) That batter is retired; (3) The third out is made to complete the half-inning or the game. **(NOTE: A pitcher who delivers 41 or more pitches in a game cannot play the position of catcher for the remainder of that day.)**

- e. Pitchers league age 14 and under must adhere to the following rest requirements:

The pitcher will only be required to observe the calendar day(s) of rest for the threshold he/she reached during that at-bat, provided that pitcher is removed or the game is completed before delivering a pitch to another batter.
- f. **A player cannot pitch in two games in a day.**
(Exception: Junior League - If a player pitches in 30 or less pitches in the first game, that player may pitch in the second game on that day);
- g. In a game suspended by darkness, weather, or other causes and resumed the following calendar day, the pitcher of record at the time the game was halted may continue to the extent of his/her eligibility, provided he/she delivered 40 or less pitches, and subject to each of these conditions:
1. If the pitcher delivered 20 or less pitches before the game was suspended, that pitcher's pitch count will begin at zero for the continuation portion of the game;
 2. If the pitcher delivered between 21 and 40 pitches before the game was suspended, that pitcher's pitch count will begin with the number of pitches delivered in that game;

action of the Tournament Committee) in the suspension of the team's manager for the next two scheduled tournament games, even if those games are played at the next tournament level. Additional penalties (up to and including forfeiture of a game and/or disqualification of the team, managers, or coaches from further tournament participation) may be imposed if, in the opinion of the Tournament Committee:

1. a manager or coach takes any action that results in making a travesty of the game, or;

A manager or coach suspended for any reason is not permitted to be at the game site and must not take any part in the game, nor have any communications whatsoever with any persons at the game site. This includes pregame and postgame activities. Violation may result, by action of the Tournament Committee, in further suspension; forfeiture of a game; and/or disqualification of the team, managers, or coaches from further tournament participation.

The pitcher will only be required to observe the calendar day(s) of rest for the threshold he/she reached during that at-bat, provided that pitcher is removed or the game is completed before delivering a pitch to another batter.
- f. **A player may be used as a pitcher in up to two games in a day. (Exception: Senior League - If the player pitched 31 or more pitches in the first game, that player may not pitch in the second game on that day);**
- g. In a game suspended by darkness, weather, or other causes and resumed the following calendar day, the pitcher of record at the time the game was halted may continue to the extent of his/her eligibility, provided he/she delivered 60 or less pitches, and subject to each of these conditions:
1. If the pitcher delivered 30 or less pitches before the game was suspended, that pitcher's pitch count will begin at zero for the continuation portion of the game;
 2. If the pitcher delivered between 31 and 60 pitches before the game was suspended, that pitcher's pitch count will begin with the number of pitches delivered in that game;
- h. In a game ("Game A") suspended by darkness, weather, or other causes and resumed more than one calendar day later, the provisions of (g) above shall apply, unless the pitcher of record pitched in another game or games after Game A was halted. In that event, eligibility to pitch in the continuation portion of Game A shall be determined by the number of pitches delivered in the game or games after Game A was halted.
- i. Failure to remove a pitcher who has reached his/her maximum number of pitches required by league age or use of an ineligible pitcher is basis for protest. Violations protested or brought to the attention of the Tournament Committee, shall result (by action of the Tournament Committee) in the suspension of the team's manager for the next two scheduled tournament games, even if those games are played at the next tournament level. Additional penalties (up to and including forfeiture of a game and/or disqualification of the team, managers or coaches from further tournament participation) may be imposed if, in the opinion of the Tournament Committee:

 2. a team fails to meet the requirements of this rule more than once during the International Tournament, which begins with District play and ends at the World Series level or;
 3. a manager willfully and knowingly disregards the requirements of this rule.
- A manager or coach suspended for any reason is not permitted to be at the game site and must not take any part in the game, nor have any communications whatsoever with any persons at the game site. This includes pregame and postgame activities. Violation may result, by action of the Tournament Committee, in

TOURNAMENT RULES AND GUIDELINES

further suspension, forfeiture of a game and/or disqualification of the team, managers or coaches from further tournament participation.

5. **FORFEITS:** No game may be forfeited or a team disqualified without the authorization of the Tournament Committee. Violations which may result in forfeiture or disqualification must be reported immediately to the Regional Director before further play takes place which would involve a team or teams affected by such action.
6. **BENCH/DUGOUT:** No one except the players, manager, and coach(es) shall occupy the bench or dugout during a game. Base coaches may be players or adults. Two (2) adult base coaches are permitted at all levels subject to playing rule 4.05(2).
7. **VISITS:** A manager or coach may not leave a dugout for any reason during a game without receiving permission from an umpire. The manager or coach may be removed from the field for the remainder of the game for violation of this rule. When permission is granted, the manager or coach will be permitted to go to the mound to confer with the pitcher or any defensive player(s). A manager or coach who is granted a time out to talk to any defensive player will be charged with a visit to the pitcher.

A manager or coach may come out twice in one inning to visit with the pitcher, but the third time out, the player must be removed as a pitcher. The manager or coach may come out three times in a game to visit with the pitcher, but the fourth time out, the player must be removed as a pitcher. The rule applies to each pitcher who enters a game.

NOTE: Only one offensive time-out will be permitted each inning.

8. **INJURY/ILLNESS:** If a player is injured or becomes ill during a game, the decision of a doctor (if present) or medical personnel will be final as to whether or not the player may continue in the game.
9. **MANDATORY PLAY: 8- to 10-Year-Old Division, 9- to 11-Year-Old Division, Little League, Intermediate (50-70) Division and Junior League:** If a tournament team has thirteen (13) or more eligible players in uniform at a game, then every player on a team roster shall participate in each game for a minimum of one (1) at bat. If a tournament team has twelve (12) or fewer eligible players in uniform at a game, then every player on a team roster shall participate in each game for a minimum of six (6) consecutive defensive outs and bat at least one (1) time.
 - a. Managers are responsible for fulfilling the mandatory play requirements.
 - b. There is no exception to this rule unless the game is shortened for any reason.
NOTE: A game is not considered shortened if the home team does not complete the offensive half of the sixth or seventh inning (or any extra inning) due to winning the game.
 - c. **Failure to meet the mandatory play requirements in this rule is a basis for protest. If one or more players on a roster do not meet this requirement, and if protested or brought to the Tournament Committee's attention, it shall result (by action of the Tournament Committee) in the suspension of the team's manager for the next two scheduled tournament games, even if those games are played at the next tournament level. Additional penalties (up to and including forfeiture of a game and/or disqualification of the**

team, managers, or coaches from further tournament participation) may be imposed if, in the opinion of the Tournament Committee:

1. a manager or coach takes any action that results in making a travesty of the game, causing players to intentionally perform poorly for the purpose of extending or shortening a game, or;
2. a team fails to meet the requirements of this rule more than once during the International Tournament, which begins with District play and ends at the World Series level (State level for 8- to 10- and 9- to 11-Year-Old Divisions), or;

3. a manager willfully and knowingly disregards the requirements of this rule. A manager or coach suspended for any reason is not permitted to be at the game site and must not take any part in the game, nor have any communications whatsoever with any persons at the game site. This includes pregame and postgame activities. Violation may result, by action of the Tournament Committee, in further suspension; forfeiture of a game; and/or disqualification of the team, managers, or coaches from further tournament participation.

- d. For the purposes of this rule, “six (6) consecutive defensive outs” is defined as: A player enters the field in one of the nine defensive positions when his/her team is on defense and occupies such position while six consecutive outs are made; “bat at least one (1) time” is defined as: A player enters the batter’s box with no count and completes that time at bat by being retired or by reaching base safely.

10. **SUBSTITUTIONS/RE-ENTRY:** This tournament rule replaces regular season Rule 3.03 (re-entry) for all levels of tournament play.

- a. If illness, injury, or the ejection of a player prevents a team from fielding nine (9) players, a player previously used in the lineup may be inserted, but only if there are no other eligible substitutes available. The opposing team manager shall select the player to re-enter the lineup. A player ejected from the game is not eligible for re-entry.
- b. Any player who has been removed for a substitute may re-enter the game in the **SAME** position in the batting order.
- c. **A substitute entering the game for the first time may not be removed prior to completion of her/his mandatory play requirements.**

NOTE 1: See definitions in Rule 9(d) above on complying with this rule defensively and offensively. Tournament Playing Rule 10(c) does not apply to Senior League or Big League.

NOTE 2: A player who has met the mandatory play requirements, and is a pitcher at the time she/he is removed, may be removed for a substitute batter and re-enter the game as a pitcher once, provided the pitcher was not physically replaced on the mound.

EXCEPTION: Does not apply to Senior and Big League.

EXAMPLE: Player A is a starter and not a pitcher, Player B substitutes into the game for player A. Both players have met mandatory play by completing one time at bat and/or 6 consecutive outs and both occupy the same spot in the batting order. In the fifth inning player A becomes a pitcher and is scheduled to bat in the sixth inning, but player B bats for player A. Both players have met mandatory play requirements and player A was not physically replaced on the mound as a pitcher, therefore, player A can return to pitch the sixth inning.

TOURNAMENT RULES AND GUIDELINES

Incomplete (not regulation) or tie games are considered suspended games. **NOTE:** A contest decided by forfeit does not constitute a “game” for the purposes of this rule, unless one complete inning was physically played before the game was forfeited. (Forfeits are only by decree of the Tournament Committee in Williamsport.)
 12. **TEN-RUN RULE:** If at the end of a regulation game one team has a lead of ten (10) runs or more, the manager of the team with the least runs shall concede the victory to the opponent. **NOTE:** If the visiting team has a lead of ten (10) or more runs, the home team must bat in their half of the inning.

 - b. Regulation games (when a winner can be determined) terminated because of weather, darkness, or curfew must be resumed if the visiting team ties the game or takes the lead in their half of the inning and the home team does not complete their at bat or take the lead in an incomplete inning. This does not apply to games suspended or delayed by weather that may still be resumed before darkness or curfew (as defined in Tournament Rules and Guidelines – Curfew) on the same day.
 - c. If two games are scheduled for the same site, no “time limit” may be imposed on the first game.

14. **REPLAYING GAMES:** No tournament game may be replayed without specific approval from the Tournament Committee at Williamsport.

Guidelines for Conduct of Tournament

The following standards for the conduct of tournament play are for the guidance and information of Tournament Directors and participating leagues. Experience of hundreds of field directors responsible for the conduct of the tournament at all levels over many years is reflected in these guidelines which should be studied carefully and applied totally to assure successful staging of the various levels of play.

District Administrators

District Administrators or their appointed assistants will direct the tournaments. This responsibility may not be delegated to a local league. The Tournament Director conducts or supervises play up to and including the final game of that level; collects or directs the

collection of all funds belonging to the tournament; pays or directs payments from moneys so collected or received; and makes required reports to leagues involved and to the Regional Center.

The league or leagues hosting tournaments may not assume responsibility for, nor physically operate, the tournament. The league or leagues may not retain tournament income, may not make payments from nor obligate tournament funds for any purpose.

At the district tournament meeting the Tournament Rules should be reviewed in briefing league representatives, umpires, and others involved in the tournament. Before assigning tournament games, the District Administrators should inspect all prospective sites. It cannot be emphasized too strongly that providing the best possible playing conditions on regular fields is the obligation of the District Administrator.

Tournament Director

1. District, Sectional, Divisional, State, or Regional Tournament Director may provide appropriate awards to participating teams and players.
2. Each Tournament Director shall report as follows:
 - a. Advise each participating league of schedule, time, and site of games.
 - b. Forward completed schedule to the Regional Director showing winners at each level of play.
 - c. Pay allowable expenses and distribute balance of tournament income to the District Fund and/or leagues on a per-game basis. Where one or more teams travel greater distances than others, a mileage allowance may be paid before distributing the per-game shares.

NOTE: 8- to 10-Year-Old Division and 9- to 11-Year-Old Division advances to State level only.

Only Little League International may authorize the televising (live or taped) of tournament games. The District Administrator or Tournament Director may recommend approval, but may not make commitments or sign any agreement or contracts for the televising of games.

Not later than two weeks prior to the start of the tournament at the level to be televised, the director having jurisdiction shall submit in writing complete details of the proposal to Little League International. Videotaping of games is permissible provided tapes are not sold or used for any commercial purposes.

Brief, televised reports on tournament games and activities on news programs are permitted.
