Play

Format:

Pool Play matches for 4-team pools, will be determined by best 2 out of 3 sets. First 2 sets are to 25pts with no cap – 3rd set to 15pts with no cap. Warm-Ups (including serving) for the first two rounds are 5min-5min and then 3min-3min after that.

IF we were to end up with any 3-team pools: Matches will be 3 sets to 25pts (no cap), no matter what. This helps you to have a similar number of sets played (as the 4-team pools). With 3-team pools, you will either be playing or reffing, so to assist with enough time to get warmed-up/potty breaks etc...we would allow for greater timed breaks between rounds

Pool play finishes will be determined by:

Match Record

Set Record - in case of a tie (see pg 11 of ERVA Tournament Handbook)

Point Percentage – in case of a tie (see pg 11-12 of ERVA Tourney Handbook)

Coin Flip – in the case of a tie after the previous two tie-breaking procedures

To give us a smoother tournament play schedule using just 3 courts, we will re-seed the 3 teams that finish third in their pool based on their match record, set record, and finally points into an 8 team Championship Bracket/4 team Consolation Bracket (See Below).

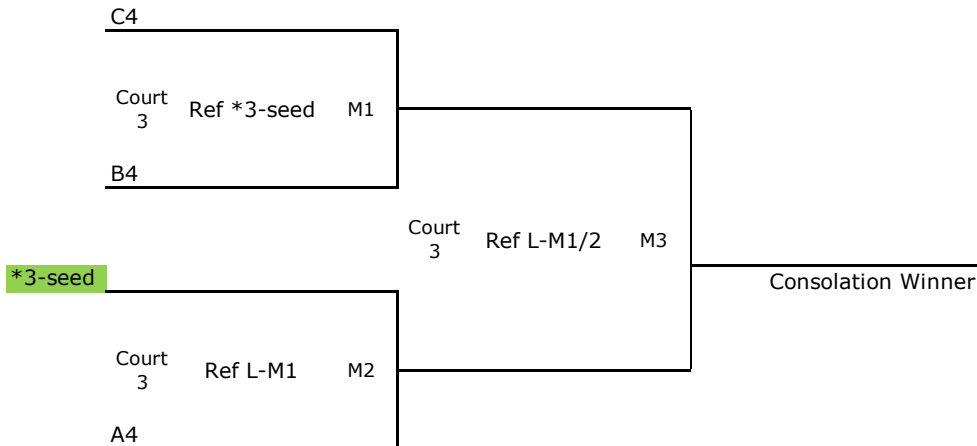

Tournament Play is Single-Elimination and will also be played best 2 out of 3 sets.

Please don't forget, if you lose in a round earlier than the FINALS of EACH bracket, YOUR TEAM will be assigned to officiate the next round. If we can accommodate your team leaving sooner, after a loss, we will try to do so, BUT it is not a given so please PLAN on officiating the match after a loss and be happily surprised if you don't have to!!
