Oviedo Babe Ruth OBR Baseball & Softball (a.k.a. Greater Seminole Babe Ruth Baseball League Inc.) is a 501(c)(3) community-based organization providing baseball and softball programs for boys and girls ages 4-18. The mission of the OBR league is to provide youth with the opportunity to play organized baseball and softball. We also strive to help the youth who participate in our league develop into real true citizens. To accomplish this, we seek the help and involvement of business throughout our community.

Our league has between 600 and 800 participants. We are home to several Softball World Series Champions and Baseball State Champions! This past summer our 8U, 10U and 12U divisions were all District and State Champs and our 10U placed 3<sup>rd</sup> place in the World Series.

We appreciate your time in reviewing our sponsorship packages. These will allow you to build good will among the hundreds of families who participate in our programs. You will also be helping promote baseball and softball in our community which has a direct positive effect on our youth.

Feel free to contact me with any questions.
