13) The next window will ask about shirt size, please make sure to specify youth or adult. If you are taking part in the “BRING A FRIEND” promotion please put in the following in as a promotional Code “team” or “team6u” for the 6u division. If you take part in the promotion please put the friends name in the comment field that you invited or that invited you. **If that new player does not sign up then the discount will be removed and the remaining balance will be owed to the league.**

The “Bring a Teammate/Friend” promotion is new this year. If your player encourages a friend to sign up with them to play softball for the current session and that friend did not play last year both players will receive 25% discount off the registration cost for spring softball. This means registrations will go from \$80 to \$60 for 8u and above and \$40 to \$30 for 6u players. Family plans are already discounted so only \$20 will be deducted from the family plan if the family encourages a new player to sign up. This discount will be applied during the sign up process by entering the promotional code and entering the other players name into the comments field. If the other players name is not listed or the listed player does not sign up then the discounted amount will be owed to the league.

If you have any questions about the above promotion please reach out to the league by emailing the following address: SBRfastpitch@gmail.com.
