Our goal is to give each player an opportunity to receive as much individual instruction as possible. Prepare them for playing at the High School level, and give them the confidence to excel in Middle School.

Grades 2nd-5th Kids Camp 2019

Our ultimate goal is to provide an atmosphere where learning the game of basketball is fun and positive. The four following building blocks of the game will be emphasized daily.

- **Basketball Athleticism:** Drills that will improve speed and agility on the court
- **Basketball Mobility:** Drills to warm up, cool down and reduce injury
- **Basketball Speed:** Learning Skills at maximum acceleration and deceleration
- **Basketball Strength:** Learning skills of the game while moving as fast and efficient as possible

Summer camp focuses on high quality drill-based exercises that will improve each player's skill sets at all levels. We strive to encourage basic habits that will increase shooting accuracy, fine tune ball-handling and increase foot speed. Participants will spend time daily practicing their skills in a 2 on 2, 3 on 3 or 5 on 5 scrimmages based on age and skill level.

We believe that there is a lot to basketball. We are building life skills on and off the court as much as we are building basketball skills.

These sessions will be taught by the Varsity Girls Basketball Coaching Staff at Jerome and assisted by the JV/Varsity Girls Team
