

SVYL Protocols 2020

COVID-19 Indoor Box League

We are excited to offer Winter Box Lacrosse and are committed to running our events compliant with State, County, Local and facility guidelines. Our goal is and will continue to be, to provide a safe playing environment for attending players as well as the possible limited spectators. As we make changes to normal practices, we kindly ask for your understanding and flexibility as we adapt/comply to increase the ability to run and operate our events/practices in a safe manner.

All players will be sent an electronic waiver that they must complete found at the bottom of the facility website: <http://vaaclubs.squarespace.com/new-page-50>

Restrictions (subject to change):

- Athletes, coaches, and officials should not enter the facility more than 5 minutes prior to game (be ready with equipment when entering)
- Athletes, coaches, and officials should leave the building no more than 5 minutes after the conclusion of their game.
- Admission to players/coaches/officials ONLY... NO spectators
- Temperature will be taken for all attendees
- Athletes, coaches, and officials that have a fever along with virus symptoms will be prohibited from attending (see below)
- Athletes should bring their own water bottles to stay hydrated: No sharing of water bottles and equipment
- Personal lacrosse gear and equipment required to compete
- Remain 6ft apart: All attendees should maintain social distancing of 6' while on-site and not actively participating in game play
- NO food/drink will be available on site. Bring personal food/snacks/drink.
- No medical staff on site
- Participants should refrain from unnecessary physical contact with teammates, opposing coaches/players, officials such as handshakes, high fives, fist bumps, hugs and goal celebrations.
- Parents that are waiting for pick up are asked to wait in the lot by interstate 81.

Symptom Screening:

- Temperature will be taken for all attendees (players, coaches, officials)
- If you are experiencing any symptoms of COVID-19 (See below) or have been exposed to someone confirmed to have COVID-19 in the 14 days prior to the event, or you have tested positive yourself in the last 10 days, then you should stay home and consult with your primary care provider.
- All attendees are responsible for self-screening of COVID-19 related symptoms prior to arrival at an event/practice: Symptoms-
 - Dry Cough, Shortness of breath or difficulty breathing, sore throat
 - Fever of 100.4 F or higher, chills, muscle pain, new loss of taste/smell

Face Coverings:

- Masks are REQUIRED
- All athletes, coaches and officials when not playing should wear face coverings while in attendance and especially in common areas where social distancing is more difficult.
- It is not required that players, coaches, officials wear face coverings during active participation in a game but should at all other times.
