

GAME RECAP FORM

To help promote the NRYB program and recognize teams and players for their accomplishments, NRYB posts game recaps on its web site at NRYB.net. We also hope to publish these in the North Reading Transcript.

Coaches of the winning team for each game are asked to submit the following information to (NAME AND OR EMAIL ADDRESS) within 24 hours of the game's completion. Even better, if you feel you can write a brief write-up incorporating this information, then please do so. Photos are welcomed and encouraged.

Please check to make sure all info is accurate, especially the spelling of players' names. Try to recognize as many players as possible for both teams and to include all of your players in recaps at some point during the season.

Information that you should include:
