

BVGSL AAA / U10 RULES

2017 April

General:

Please remember the age of this group. Review and clarify rules with both coaches and umpire prior to start of game. Rules are slightly modified to help develop the girls with hitting, fielding and pitching in keeping with the spirit of the game.

ASA/USA rules apply for any rule not outlined below.

1. All players must be registered members of the Douglas, Nipmuc (Mendon-Upton), Northbridge, Blackstone-Millville, Hopkinton, Uxbridge and Milford Youth Softball Leagues.
2. All players must wear uniforms. They must also wear rubber spikes or sneakers.
3. Players are not allowed to wear jewelry of any kind.
4. Each team will field a max of 10 players if available on defense, consisting of 3 to 4 outfielders. All outfielders must remain in the outfield area until the ball is live. The ball is considered live when the ball is hit. **You may start a game with 8 players without penalty.** Players that arrive after start time will be added to the bottom of the batting order. Notify coach of opposing team.
5. Games will **begin at 6pm** unless otherwise notified on schedule. **Games will start no later than 15 minutes after scheduled time.** If a coach is unable to field at least 8 players 15 minutes after scheduled time, that team will forfeit the win/game. Teams may still play the game for “fun” but umpire will be paid and can leave.
6. The decision to call a game off due to weather/field conditions will be **made by the head coach of the home team at least two hours prior to the starting time.** If a decision is not made to cancel two-hours prior, all players should be report to the field. The umpire will then determine whether to call the game at the field.
 - 6a. If a game is cancelled, coaches should make every attempt to reschedule these games within a two-week time period. All games should be made up by the week before

the playoffs. Failure to do so MAY result in a forfeit for one or both teams unwilling / unable to make up the game. The home team head coach must notify their umpire coordinator of the rescheduled date/time/field.

***** In the event of a 2-hour weather cancellation, be sure to notify the umpire/umpire coordinator or home team is responsible for payment *****

In the event of scheduled game conflicts/cancellations due to reasons other than weather/field conditions, BOTH coaches must agree to reschedule the game and notify umpires with a minimum 24-hour notice.

WEATHER RELATED DELAYS/CANCELLATION: In the observation of lightning / thunder teams must wait 30 minutes of no thunder / lightning before continuing. This is an ASA/USA enforced ruling. Be safe.

7. Six full innings defines a complete game. ***An official game has a minimum of 4 complete innings, 3 and a half if the home team is ahead.*** In the event that a game is continued/rescheduled, teams will pick up where they left off to continue the game. Refer to ASA/USA guidelines.
 8. Players must remain in the dugout or on the bench when not playing in the field. The on-deck batter may warm up. Pitchers may warm up between innings.
 9. Each team will only be able to **score up to 4 runs an inning**. This is until the last inning of the game where each team can score unlimited runs. **The umpire needs to announce when the last inning will be played so both coaches are aware that they can now score unlimited runs.**
 10. All injuries must be reported to the leagues of those participating in the game.
 11. All coaches will have on hand the emergency forms (registration forms) at all practices and games. Each team must have an emergency kit on hand with gloves, band aids, ice packs, gauze, etc.

The batter will keep the strikes / ball count she has. The batter can strike out on coach pitching (the **Umpire should be calling balls/strikes** to keep the game moving even when coach pitches, the batter cannot walk).

6a. When the coach comes on the field to pitch, the player who was pitching will stand to the side of the pitcher's mound and **MUST REMAIN IN the pitching circle** and play defense.
