

KYSBA Assessment Policy

ⁱPurpose: The KYSBA assessment policy is to set forth a series of guidelines to obtain an unbiased evaluation of a player's baseball or softball ability. The assessment will be put on by non-coaching participants. League directors, selected members and head coaches will observe and evaluate player assessments.

1. Guidelines

- a. Players are encouraged to attend assessments for their league age appropriate division. League age for baseball is players age on or before April 30 and softball is players age on or before December 31.
- b. All softball players must attend assessments.
- c. Those players remaining in same division and same team as previous year need not attend.
- d. If player would like to be drafted onto new team in same division as previous year, they must attend assessments.
- e. If player would like to assess for higher division, they must attend assessments for that division.
- f. Players will be required to register and receive registration number.
- g. Players will be required to show up on time in the appropriate baseball gear. Player s will be given a 15 minute warm up period.
- h. Players will be given same amount of reps but can ask for more once all players have gone through drills.
