Dear Business Owner,

Serving the West Chester, PA community for 60 years, West Side Little League is a non-profit, highly respected family-oriented organization dedicated to providing quality baseball and softball programs to our area's youth.

Each year over 500 individual boys and girls, representing more than 1,000 parents, participate in our athletic programs. We host over 300 games a year at Waltz Field (just off Rt. 100, near Boot Rd.) and our web site gets thousands of monthly hits.

Little League is much more than bats and balls. It's really a leadership-training program that instills in youth the virtues of character, hard work, courage and camaraderie during their most impressionable years. West Side takes the responsibility of developing these traits in our children very seriously, but we need your help!

To continue to keep the registration fees affordable for parents in our community we must rely on financial sponsorships from local business organizations like yours. Your sponsorship provides uniforms, equipment, umpires and field maintenance, which are all primary direct expenses of running the league.

In addition to supporting local kids and a quality community program that emphasizes teamwork, responsibility and civic duty, being a West Side Little League 2017 Sponsor is smart marketing and may qualify as a tax deduction (check with your accountant).

Being a sponsor positions your business in front of over 1,500 adults and kids with buying power in our local community. We've added even more benefits to our 2017 program so don't delay!

Please help support area youth baseball and softball by choosing a sponsorship level and completing the attached 2017 sponsorship form and returning it to West Side Little League, P.O. Box 2112, West Chester, PA 19380 **by February 1, 2017.**

Sincerely,

David Reinheimer

David Reinheimer

President of West Side Little League of West Chester, PA
