

Dear Friends of the Charles County Youth League,

It all starts with you! Our baseball and softball program allows over 1000 boys and girls to participate in an organized sport during the spring, summer, and fall every year. This gives players the opportunity to learn discipline and team work. Youth sports gives children an avenue to become a healthier child, both mentally and physically.

Charles County Youth League is an organization made up of local volunteers dedicated to building character, courage, and loyalty in local youth by providing a fun, safe, and competitive baseball and softball program.

Without contributions from our community, this league could not endure. Your contribution will help our program continue to thrive and provide opportunities for our children.

CCYL is a registered 501(c)(3) organization, so your contribution may be tax deductible. Our EIN is 16-1644684.
