Through proper guidance and exemplary leadership, the Little League program assists children in developing the qualities of citizenship, discipline, teamwork and physical well-being. By espousing the virtues of character, courage and loyalty, the Little League Baseball program is designed to develop superior citizens rather than superior athletes.

2019 Sponsorship Information

Moorpark Little League has a rich tradition of providing the youth of our community a quality program for learning the fundamentals of baseball, along with the life lessons of being part of a team. Our program is 100% volunteer driven and managed. Many of the projects and improvements we must make to our facilities each year depend upon the contributions of our individual and community sponsors.

Our goal is to recognize these contributions by promoting sponsorship and driving our member families to utilize the products and services of our generous supporters. For the 2018 season, MPLL has multiple sponsorship opportunities available.

Each individual team is being tasked with finding a team sponsor. This year, a team sponsorship is only a \$100.00 donation to the league. In return, the sponsor will receive a picture plaque with the team's picture on it.

Additional Sponsorships are as follows:

Individual Field Sponsorships \$1,000.00 donation: Special recognition will be offered in the form of Two 4 foot banners placed on the back stops of their sponsored MPLL baseball field; a partnership plaque for display at their place of business; 4 special email blasts with your company or organization messaging to our membership and a complimentary booth space to display your offerings at our Opening Day Ceremony.
