It is the goal of the Orangecrest Little League (OCLL) to avoid multiple vendors selling the same/similar item; however, there may be some exceptions to this rule.

- OCLL will assign location for all vendors.
- OCLL will NOT provide electricity, tables, or chairs. This should be considered when establishing the items to be sold.
- Food vendors must provide their own canopy, which needs to meet Riverside County Health and City Fire Department standards.
- Food vendors must complete and submit all required County of Riverside Department of Environmental Health forms and requested documentation.
- Vendors are responsible for setting up and breaking down their own space, which includes tables, chairs, water, and/or shelter.

Orangecrest Little League will **NOT** provide electrical hookups. This should be considered when establishing items to be sold. **Vendors are responsible for setting up and breaking down their own booth, which includes tables, chairs, water, and/or shelter and electricity.** Setup time is TBD and valid for one day use on March 2, 2019.
