Dear Potential Sponsor/Local Business Owner,

As a Youth Sports Organization in the Flemington area, we believe in community involvement that strengthens relationships between our organizations and local businesses. This valuable relationship is a benefit to all, as both sides provide support to each other. We, as a local non-profit Organization, are asking for your support for the 2018 Pop Warner Football and Cheerleading Season. This is an exciting year as we are celebrating our 50th Anniversary.

The Flemington Falcons Pop Warner Association was established in 1967. Each year our organization serves over 300 families who live in the Hunterdon Central sending district, which is comprised of families from Delaware Township, Flemington, Readington and East Amwell. We compete in one of the most competitive conferences in the nation (Jersey Valley Conference). Our conference teams have brought home numerous national titles. For the last five years, the Falcons have sent three cheer teams to compete nationally in Florida and have ranked at least in the top three Nationally!

The cost to maintain our organization continues to grow as do the number of families we serve. The Falcons are one of a very small number of Pop Warner teams that are not subsidized by the township. 100% of our fundraising dollars go directly into our program to purchase equipment, uniforms, helmets, as well as funding our practice space, game day activities and operating expenses. Since we are a non-profit 501C organization, the partnership with our community is critical to our success. As the premier youth organization in this area, the Pop Warner organization emphasizes academic success for our athletes as well. In 2017, the Falcons recognized over 20 All American Scholars, who had a grade point average of 96 or higher and 38 Falcon Academic Excellence recipients that had an average GPA of 90 to 95.9.

We have a growing list of local business sponsors and would love to add your company to the list of our supporters. All sponsors will be added to our sponsor list on our website: www.flemingtonfalcons.org. In addition, the attached page describes several ways that we can participate together in the coming season. If there are other ways you believe we can work together, please let us know.

Thank you in advance for your generosity.
