

2019 Mandatory Bond Checks

Page 1 of 2

The Falcons require 3 separate Bond checks:

- 1 check for Uniform Bond
 - \$250 per Child

- 1 check for Parent Volunteer Hours Bond
 - \$250 for 1 Child (8 volunteer hours)
 - \$275 for 2 Children (12 volunteer hours)
 - \$300 for 3+ Children (15 volunteer hours)

- 1 check for Fundraising Bond
 - \$275 for 1 Child
 - \$325 for 2+ Children

All Falcons Families are required to participate in the mandatory fundraisers to help offset the cost of running our organization. If you have any questions or concerns about them, please feel free to contact our Treasurer/Fundraising Director.

*** If you have more than one athlete in the organization, you may combine all children into the three Bond checks.**

As an example, if you have 2 athletes in the program, you will write 1 check for the Uniform Bond equaling \$500, 1 check for the Parent Volunteer hours equaling \$275 and must do a total of 12 volunteer hours, and the third check for the Mandatory Fundraising Bond would be written out for \$325 and you would be required to sell 25 Raffle Tickets and do 2 hours of Canning per athlete (that equals a total of 4 hours for canning). *

Please understand - it is **not** our goal to cash your Bond checks! Without your support and participation, we could not provide our children with the best youth sports organization in Hunterdon County! At the end of the season after all Bond requirements are met, your checks will not be cashed and will be destroyed by the Treasurer. If your requirements have not been met, then you will be notified that your Bond Check(s) will be cashed.

Third check is for the mandatory Fundraising Bond: This check is \$275 for 1 athlete or \$325 for 2 or more athletes. The two mandatory fundraisers are The Raffle Tickets Sale and Canning. The breakdown of participation for each of the two mandatory fundraisers are as follows:

Raffle Tickets: 1 athlete = 20 Raffle Tickets per family
2 or more athletes = 25 Raffle Tickets per family

Canning: Is 2 hours per athlete or a \$75 buy-out per athlete - in lieu of participating.
