LEAGUE SPECIFIC RULES

1	Strikeouts only on three swinging strikes
2	Ball is dead once returned to pitching circle. Runners may only advance to the base they were heading to once ball became dead and do so at their own risk.
3	Base runners MUST slide if a play is being made on her, except at first. If the umpire judges that the runner should have slid and did not, she shall be called out. If not sliding causes other runners to advance, the umpire shall send those back to the appropriate base.
4	Coaches pitching shall be allowed to coach ALL of their players and to the side of the coach when the ball is hit.
5	If a batted ball hits the pitching coach, or if he interferes with the defense, the play is dead.
6	Runners leaving the base prior to the ball being hit shall result in a dead ball and ONE warning.
7	Subsequent occurrence will result in the runner being called out and the batter resumes their at bat.
8	No player may play more than TWO innings at the same position unless extra innings.
9	No player may play more than THREE consecutive innings in the infield.
10	The fielder in the pitching position must be within the circle and either to the left or right of the coach pitching the ball when the ball is hit.
11	No outfielder may make a play in the infield, they must THROW the ball in.
