

SFYBL LOST and FOUND and GIVE

Have you left something behind after a practice or a game?

Have you found a bat or glove after a game and wondered, "How can I get this back to the person who needs it?"

Do you have equipment you can no longer use but maybe someone else could?

The new SFYBL LOST and FOUND and GIVE is a new forum we're trying. Kind of like a "craig's list" for SFYBL baseball stuff.

Its simple:

Want to list something you have lost or found or want to give?

Click [POST](#)

Want to look for something you've lost or you've found?

Click [SEARCH](#)

Be sure to delete your item once something has transacted with it.

Let us know if this is working for you.
