5. Game balls will be provided by the MBA
  - a. Please make sure to leave the game balls at the field so that we can use them for as many games as possible.
6. Machines for machine pitch play:
  - a. It is the responsibility of the coaches to make sure the machines are put away after the last game of the day. Please do not leave a machine out on the field.
7. During bracket play, the team with the highest seed is the home team
  - a. Home team should take the first base dugout, unless having to play back-to-back, then there is no need to swap dugouts.
8. During bracket play, a winner must be determined. If any game ends with the score tied and the official time has expired, the game will continue using a modified tie-breaker as outlined below:
  - a. Each half inning will start with the bases loaded and one (1) out.
  - b. Each team will continue the batting order from the previous inning, with the three (3) previous batters occupying the bases, with the last batter occupying 1<sup>st</sup> base, the next batter occupying 2<sup>nd</sup> base and the 3<sup>rd</sup> batter occupying 3<sup>rd</sup> base.
  - c. The game will continue until a winner is determined
  - d. Example:

The game ends in a 3-3 tie. The visiting team determines the # 4 batter is due up. The team will put the # 3 batter on first, the # 2 batter on second, and the # 1 batter on 3rd. There will be one out in the inning and both teams will play like this until a winner is decided.
