To our valued Sponsors and Community Members,

Believe it or not, we are already preparing for our next Little League season here in Norwood! We would like to ask for your support in becoming an integral part of our great program.

Norwood Little League is a non-profit organization. It has provided coaching guidance and much instructional practice to literally thousands of children in Norwood over the years. Our new board is hopeful to expand our program and make it as strong as possible for our young community members.

Registration fees are kept as low as possible, so that more children can participate in baseball. However, they only cover a portion of the many costs needed to sustain a quality program. Your generous sponsorship provides an opportunity for children ages 5-12 to learn the game of baseball, the value of teamwork, and establish childhood memories that will last a lifetime.

Some of the many costs we incur include; field maintenance, uniforms, baseballs, equipment, umpires, and scholarships for those families in need. Along with coaches and board members who are willing to donate their time, sponsors are critical to our betterment and success. Please see below our requests for sponsor donations....

Norwood Little League is a registered MA charitable organization and all donations are tax deductible.

Our tax ID #: 042447912

With many thanks,
