

43 All Americans ~ 33 MLB Draft Selections ~ 3 National Championships

The Montclair State University Baseball program will be hosting their Futures Clinic **February 3rd**. Players in the **2018-2021** HS graduating classes are encouraged to attend. All players will workout with the MSU Baseball staff and meet current Red Hawks who've attended past clinics. Players will receive the same coaching and do the same drills as the Montclair State University Baseball team, the **winningest collegiate baseball program in New Jersey.**

When: Saturday February 3rd Hitting Segment: 6:30pm-8:00pm & Pitching/Catching: Segment 8:00pm-9:30pm

Where: Gold Glove Academy - 6 Industrial Rd. Pequannock, NJ 07440

Individual segments costs \$150.00. If you would like to attend the entire clinic the discounted rate is \$250.00.

Hitting Segment Details: All participants can expect to work closely with the MSU coaching staff and players. You will perform the same drills and receive the same instruction that the team uses throughout the season. There will also be time to chat with current Red Hawks and ask them about the program and university.

Pitching/Catching Segment Details: Pitchers will go through the Red Hawk throwing program prior to going through a bullpen session with an MSU coach. Catchers will go through the MSU catchers throwing program prior to experiencing several MSU catching routines primarily focused on receiving, blocking, and transfers. Catchers will also catch bullpens. Throughout the day campers will also have a chance to interact with current Red Hawks about their baseball and educational experiences at MSU.
