ABOUT THE PROGRAM

Colts Neck Baseball operates in flourishing Monmouth County, New Jersey and is part of the Colts Neck Sports Foundation, founded in 1968 with the purpose of providing sports activities to the residents of Colts Neck in collaboration with Colts Neck Township and The Colts Neck Recreation Department

Every year we have approximately 400 players keeping the Laird Road and Five Point Complex fields filled with our neighbors enjoying our national pastime.

The support of local businesses like yours makes it possible for our players to develop as individuals and athletes.
