Dear Cub League Players and Parents:

The 2018 Vincennes Cub League season preparations are underway, and the Board of Directors and all the volunteers who comprise Cub League look forward to making this season an enjoyable one. Last year, over 560 boys and girls, ages 4 to 15, played baseball in over 450 games in a season which was very successful. In addition, our hitting facility continues to provide indoor practice time for all of our teams.

Recent changes were made to the Junior Rookie and Senior Rookie leagues. Junior Rookie League is for five and six-year-olds on the Yellow Diamond. Senior Rookie League is for seven and eight-year-olds on the Red Diamond. Five-year-olds will have the option of playing T-Ball or Junior Rookie League. While the final decision rests with the parents, we strongly encourage all five-year-olds to have played at least one year of T-Ball prior to playing Junior Rookie League.

Players will be assigned to the following leagues based on their age as of April 30, 2018. This date is used for all Cal Ripken/Babe Ruth affiliated leagues throughout the country.

<u>LEAGUE</u>	<u>AGE</u>	<u>FEE PER PLAYER</u>
T-Ball	4, 5, and 6	\$100
(T-Ball players receive Major League logo hat, shirt and participation trophy)		
Jr. Rookie Baseball	5 and 6	\$100
Sr. Rookie Baseball	7 and 8	\$100
Junior Baseball	9 and 10	\$100
Senior Baseball	11 and 12	\$100
Babe Ruth League	13, 14, and 15	\$100

The player fee has remained the same for the last seven years. All Vincennes Cub League facilities are maintained completely by Vincennes Cub League funds, and this fee is used to offset the increased costs of insurance, maintenance, utilities, and equipment. Unfortunately, the various types of fundraisers tried in the past were not successful as participation was not 100%. We understand, however, the hardship this fee may cause families and have developed a plan to offset the cost.

Each player who registers to play will be given ten Cub League discount cards to sell for \$10.00 each. The player **KEEPS** the money from the cards sold. The discount cards will be distributed to the players at Picture Day in early May.

Baseball Fever ... CATCH IT!

For your convenience, registrations are processed online at www.vincennescubleague.com. **The registration deadline is Friday, March 9th.** It is important to register early so we can finalize plans for the number of coaches, teams and sponsors needed for each league. PLEASE REGISTER NOW.

League drafts will begin Monday, March 12th. Coaches will be instructed to contact players immediately after the draft.

We are looking forward to another great summer of baseball and family entertainment!
