JUNIOR CUB LEAGUE RULES

The league will play by Babe Ruth/Cal Ripken Rules and Regulations and Official Baseball Rule Book. Exceptions and additions are listed below:

1. Playing an ineligible player will result in forfeiture of the game.
2. Ten minutes will be allowed for a team to field the required number of players; i.e., 6:10 p.m. and 8:10 p.m.
3. If a team has less than ten players, up to two pool player (s) may be used. If a roster player arrives once the game has started, he/she must be inserted into the line-up in the last spot in the batting order. Pool player(s) continue to play if roster players arrive late. If a team has fewer than nine players, the ninth place in the batting order is recorded as an out each scheduled at bat. The game is a forfeit when a team is not able to field at least 8 players including the maximum of two pool players.
4. Junior Cub pool player shall be any player in Senior Rookie League. A Senior Rookie Cub League player can only be used up to a 10-player roster. This player or players must hit at the end of the lineup and must play in the outfield on defense.
5. Fully uniformed players, including socks are required; i.e., hats are required to be worn at all times by player while on the field; shirts are to be tucked in at all times; and catcher must wear a cup-type supporter. Any player can be called out after one warning regarding uniform.
6. Players, coaches, managers, and bat boys are the only ones allowed in the dugout during a game. All coaches are to remain in the dugout or in the coaching boxes.
7. The scorekeeper is to note the starting time of the game. This time is official.
8. All players must play a minimum of two innings with exception of injury or illness. Exception: Run rule or cancellation due to inclement weather. Any additional exceptions to this rule may result in a forfeit.
9. Free substitution rules will be used. Any player may be taken out and return to the game at the start of any half inning. All players will be placed in the batting order and bat in rotation throughout the game.
10. Warm-ups for pitchers: Seven (7) for new pitcher; five (5) for returning pitcher.
11. All games are scheduled for six innings. A 10-run rule will be in effect after four complete innings. In case of rain, four innings is an official game (3 ½ if home team is leading).
12. All players will be placed in the batting order and bat in rotation throughout the game.
13. No innings shall start after the two-hour time limit.
14. A base runner must slide to avoid a collision. If a base runner deliberately runs into a fielder, the runner is out; i.e., a player who elects not to slide at home with the intent of knocking the catcher over will be called out.
15. In the event of a tie game at the end of regulation, extra innings will be played if the game is still within the two-hour time limit. After the time limit, the game is recorded as a tie.
16. Awards will be given to the league champion, league runner-up, tourney champion, and tourney runner-up.
17. All-Star managers and coaches will be selected by the league president. All-Star players shall be selected by appointed All-Star managers.
18. A pitcher can pitch three consecutive innings per game. A pitcher removed can not re-enter as a pitcher. If a pitcher delivers one pitch in an inning, the pitcher will be charged with a full inning. The second trip to the mound by a coach in the same inning to the same pitcher shall automatically result in the removal of that pitcher from the game as a pitcher only.
19. Special base-running rule: One warning per team for base running violations (leaving base early), any runner is out on the second violation. Each successive violation by that team for the remainder of the game will result in an out.
21. Play with infield fly rule.
22. Any team that fails to perform duties (such as keeping scorebook, operating scoreboard, umpiring bases, raking areas, and trash clean-up from inside their dugout and bleacher areas) will play their next game using only two outs for the first three innings.
23. Ten minutes infield for each team will be allowed before the game. Coaches are responsible for starting infield on schedule and games will start on time even if infield must be stopped. Visitors take infield at 5:40 and 7:40. Home team takes infield at 5:50 and 7:50. If time permits, ten minutes will also be allowed for infield for the second game. No batting practice will be allowed after diamonds are lined for game.
24. Four outfielders must be positioned at least 15 feet from the infield.
25. No practices are allowed on the diamond after it has been prepared for play prior to the game.
26. Any player who throws a helmet or bat will be warned once, and the player will be ejected on the second offense.
