**PRACTICES:** Practices will begin on or around Monday March 16th, but this may vary depending on your coach. Each team is allocated one practice during the week, and one on the weekend if available. Practices could be Monday thru Friday anytime 6:00pm to 9:00pm. We try to get the earlier practice times to the younger teams. It is our intention to get each team as much extra practice time. League assigned practices will be at Highview behind Moors High School, however, your coach may be fortunate enough to be able to obtain additional practice areas and times away from Highview

**OPENING DAY:** Saturday April 11<sup>th</sup>, 2020

**GAMES:** We try and schedule as many games as possible in each division, but it depends on the amount of teams in the division. Total games could range from 12-16. Our normal days of play are but not limited to Mondays, Tuesday's-Thursday's-Friday's, & Saturday's. Our goal is to schedule one game per team during the week, and one on Saturday, OR two games during the week, and none on Saturday, however, sometimes this is difficult to schedule in this manner. Highview reserves the right, to add, delete, reschedule, or move games as they seem necessary. We do our best to get game schedules out ASAP, but no later than one week prior to your first game.

**UNIFORMS:** Each player will be issued a practice t-shirt, game jersey, and game hat, and MUST play each game in that uniform. Once players are placed on teams, the coach will inform you of what color pants (and possibly belt and socks) to purchase. All players need to be in full uniform to play. No uniform shall be altered in any way. We do the best we can to get uniforms out to the players ASAP, however, no later than one week prior to your first game.

**COMMUNICATIONS:** This is the biggest ingredient to help run a good league, as well as you and your child enjoying the season. However, **EVERYONE**, including parent, need to communicate with one another as best as possible. BE SURE to get your team name, Coach's name AND phone number upon your first meeting. You, as a parent should also MAKE 100% CERTAIN that the coach has the best contact information for you, as well as the best method, i.e. phone call, text, e-mail, etc. The SI play APP is a good source of information about our league and a good communication tool.

**FOOD/DRINK/COOLERS:** None of the items mentioned are allowed to be brought into our baseball facility while games are being played. This includes team coolers for your team. If you want to give out snacks/drinks for each player after your game, please go to the other side of the parking lot into the grass. Our concession stand is open during games and practices and provides food and drinks for everyone. It is a vital source of income for our league. Please do your share in keeping our facility clean by putting trash in cans around the park. No alcoholic beverages and NO SMOKING is allowed on school property.

**PARKING:** Parking is a MAJOR problem each season. Please park in designated parking spots with lines. Parking along the sides, fire lanes, by the bus compound, is prohibited.

**FUNDRAISER:** Each season we run a fundraiser to raise funds for an end of season party/banquet for everyone to enjoy. It is imperative for EVERYONE to participate in this fundraiser to assure a very entertaining party. There will be more information to come.

**CODE OF ETHICS: ALL PLAYERS, COACHES, PARENTS, AND FANS** are expected to conduct themselves in a respectful, adult manner. No vulgar language, yelling at the officials or any unsportsmanlike actions will be tolerated. If you cannot follow these guidelines you are subject to be ejected from the facility. If so, you MUST LEAVE THE PREMISES IMMEDIATELY, and consideration of return to the next game will solely depend on the league officials.

We feel we are the best league around, and after your participation, we are confident that you and your family will feel the same. However, there always seems to be a lack of people willing to volunteer their time, but never a lack of criticism. Please keep in mind that Highview Youth Sports is ran by unpaid volunteers, who volunteer their time away from their families to assure your child will have a place to play sports. We are ALWAYS LOOKING for suggestions on ways to improve our league as well as willing volunteers.
