

2021 CAPITAL CAMPAIGN

"Your Lax Dollars at Work!"™

Dear Friends of Lacrosse,

Greetings from the Philadelphia Lacrosse Association, the local chapter of US Lacrosse representing Eastern Pennsylvania. The PLA has a proud history of cultivating the growth and development of lacrosse in our area for over three decades. Whether sponsoring clinics for players, coaches and officials or providing financial assistance and other resources to new programs, the PLA has helped the game take root throughout the region.

The PLA is in the midst of our **2021 Capital Campaign**. With your support, we hope to augment our continuing efforts to spread our beloved sport, particularly in urban and other non-traditional areas. Lacrosse has the power to change lives for the better and these new frontiers have significant needs. In addition to "New Start" and other "Diversity/Inclusion" initiatives, the funds we raise will help underwrite the following activities and events:

- ◆ High School Boys'/Girls' All-American and Awards Recognition Banquets;
- ◆ Eastern PA Lacrosse Hall of Fame Induction Ceremonies;
- ◆ 'HEADstring' Project and equipment donation programs; and
- ◆ Support for local charitable tournaments.

The PLA would be grateful your support. Names of donors and corporate sponsors will appear on the PLA website, in announcements and in other materials, to ensure proper public recognition.
