## 2018 Bat Rules Changes:

As of January 1, 2018, the new USA Baseball Bat Standard will be implemented. Little League-approved baseball bats that are approved for use for the 2017 season **will no longer be acceptable for use in any Little League game or activity** starting on January 1, 2018. For more information on the USABat standard and a complete list of bats approved through the USABat Standard, [visit usabat.com](http://usabat.com).

## Coach Conduct

It is important to allow the kids to make decisions and mistakes, thereby Coaches should attempt to minimize the amount of In-game technical instruction. The yell results in tentative players. There is an old baseball adage "Practices are for coaches, Games are for players". The time for instruction is before the play by asking where the play is or when they come off the field in a non-embarrassing, private and constructive manner. No child likes being yelled at or yelled to, in front of friends. Rather, take the opportunity when they come off the field to ask him "Do you know what you did wrong?"

Coaches shall lead their teams in compliance with all League Rules, policies and procedures. Failure to do so, especially when a Coach deliberately or willfully breaks League Rules, will be subject to immediate disciplinary action.

## Conduct Guidelines

- (a) The use of profanity is strictly forbidden.
- (b) Smoking and use of tobacco products in the dugouts or on the field of play is forbidden.
