About Us!

Southington Travel Blue Knights Baseball is a registered 501(c)(3) Non-Profit Organization focused on keeping Southington kids playing on Southington teams with the competitive spirit that travel sports brings to the leagues.

Our goal is to make travel baseball accessible and affordable for Southington families and the only way we can achieve that is through charitable donations from supporters like you.

For those of you that have played travel sports you understand the costs that it takes to run a single team let alone a program supporting multiple teams with kids ages 9-19. For others, here is a sample of what it costs to run a single team.

- Team Equipment (\$1000/team)
- Uniforms (\$100 per kid)
- League Dues (\$900-\$1500 per team)
- Umpire Fees (\$50-\$70 per game)
- Insurance (\$16 per kid)
- Baseballs (\$200 per season)
- Facility Rentals (Off Season)(\$200-\$400/week)
- Outdoor Facility Fees (LL Donation)
- Field Insurance
- Program Insurance

This tournament is our largest fundraiser event and will help set us up for the 2018 season. All money raised here and throughout the year goes towards lowering tuition fees for players and their families and making baseball more accessible to kids.
