

HOLY FAMILY ATHLETICS

EAGLE PRIDE INITIATIVE

"Many hands make light work."

"Alone we can do so little; together we can do so much."

"Teamwork divides the tasks and multiplies the success."

Our gym is one of the finer facilities in our conference. What we lack in, i.e. locker rooms, we make up for with space, lighting, playing surface and ample bleacher seats. To keep our facility in top shape, we need the help of everyone from student athletes, high school workers, to parents and coaches.

From 5th graders to 8th graders, everyone can play a part. Whether it's picking up water bottles, putting away chairs, sweeping bleachers or mopping the playing surface, help is needed prior to and after each sporting event.

The Athletic Board and our Coaches will help to lead our families in this new initiative. What is the objective, you ask? Simple: with our student athletes, parents, siblings, and coaches taking part in setup and cleanup, we will build a pride in the facility amongst all involved. Athletic's mission starts with 'Through parental involvement' and notes that our student athletes will 'develop a sense of self-worth'. This comes through work on the court/ field and off. This pride will spill into the halls of the school and will flow into the teams' play.
