

Player Registration Details

Players register themselves annually with US Futsal Federation, usually late fall, providing insurance, player passes and, ultimately, inclusion on team rosters. After a team registers with North Alabama *FUTSAL* League and it is determined there are enough like teams for a division to be formed, players (or new players for spring, summer and fall seasons) must immediately register themselves. Generally, here's how:

To register a player to play in the next futsal season, the next tournament and/or the next futsal activity, a player (or parent/guardian of youth player) takes the following actions:

- I. Go to www.futsal.com/Registration
- II. Click on one of the following links:
 - A. [ADULT PLAYER/COACH \(Administrator\) ON-LINE REGISTRATION](#), if an adult player (19 years old or older).
 - B. [YOUTH PLAYER/COACH \(Administrator\) ON-LINE REGISTRATION](#), if a youth player.
- III. Create an account. Save username and password, IMPORTANT for subsequent seasons.
- IV. Identify players (family members) by name and other detail. This may be yourself and/or your children.
- V. Register players to participate in the next futsal activity and pay annual fee.
- VI. Save the form(s), electronically or in printed form, and email a copy of the registration form(s) to your coach or team manager, including player's FULL NAME, DOB, and Futsal ID.

Player Registration Fees, annually:

\$9.00 for youth players

\$20.00 for adult players

Step-by-step Instructions for registering:

[Registering an Adult for an adult team](#)

[Registering a Youth for a youth team](#)

For Team registration details, see "Team Registration for Seasons" under Registration.
