

Thanks to Meridian Park Baseball's amazing local families and sponsors, we are able to provide baseball for the youth of Tallahassee, no matter their skill level or financial status. Although we are a city park, we do not receive additional resources from the city and our organization runs solely on the donations of our sponsors and money generated through concession sales. Your contribution will help purchase equipment, baseballs, and awards, pay for expenses such as umpires and field improvements, ensuring the continued success of our baseball program. Please contact a board member if you are interested in sponsoring our association.
