

COVID-19 Policies

- Please self-screen for COVID symptoms each day that you will be visiting our facilities
- Face coverings are required in movement around facility, including restrooms and concessions, when 6' distance cannot be assured (applicable to age 10 and up by GA-28 and GA-29 policies)
- Spectators must utilize 6' social distancing when sitting in bleachers
- Face coverings are required in bleachers and should be used when 6' distance cannot be assured.
- Spectators are encouraged to bring chairs to maximize spacing between family cohorts
- Players' face coverings are optional on field, but are required in dugouts where 6' of social distancing cannot be assured
 - Gaiters are approved facial coverings for players/coaches
- Coaches and umpires are encouraged to use face coverings on field and must be used in dugout areas or when 6' distance cannot be assured
- Dugouts are to be used during games only (leave gear along fence lines during practices)
 - Minimal gear kept in dugouts at games to maximize movement and minimize contact
 - Sharing of personal gear (except bats) is prohibited unless properly sanitized by an adult, including catcher gear, helmets, and gloves (these should be requested and issued by equipment manager)
 - Sharing of water bottles is prohibited
- Bleachers, dugouts, restrooms, indoors, and high contact spaces will be cleaned/disinfected between uses
- Policies are posted on our website
