

## Competitive Team - Parental Agreement

As a parent and member of the Little Rock Juniors Volleyball Club I understand that if my child is selected for a team, I will be required to participate as follows:

- I will, pay all fees in accordance with the published fee schedule (available for review on our website) either before or no later than the date the fee is due. I understand that failure to pay fees as scheduled will result in the suspension of my child from participating in any practice or tournament until such fees are paid and my account is current.
- I will commit my child to participation in ALL scheduled team practices and tournaments for the entire season. I understand that when my child fails to attend a practice or tournament it not only impacts their developmental progress, but also negatively impacts the developmental progress and success of their teammates. I further understand that our coach has prepared a practice plan that depends of every member of their team being present at every practice.

The only exception to participation in a scheduled team practice or tournament is illness, injury, emergencies or school conflicts and in all instances the coach must be notified in advance of missing the scheduled activity. Failure to notify the coach in advance of absences, or failure to attend all scheduled practices and tournaments (without approval), may result in a player's reduced playing time during competitions and/or expulsion from the team.

- I will, complete all assigned work duties for the club's hosted tournament, Volley in the Rock, which is scheduled in March of each year and held in the Statehouse Convention Center. (Each parent is assigned to either work admissions, t-shirt sales, water sales, court monitor or door monitor. Parents are asked to volunteer to participate in setting up for the event on the Friday before (laying courts, setting nets, taping lines, mopping courts, setting up scorebooks, hanging signs...)).
- I will, abide by the Little Rock Juniors Parent Code of Conduct (available for review on our website).

**By signing this document, I am acknowledging that I have read, understand, and will abide by the *Little Rock Juniors Volleyball Club's Parental Agreement***
