Men's sizing note:

ISlide does not carry half sizes. If you are a half size, we recommended rounding up to the next full size.

Women's sizing note:

ISlide sizes are based on a men's mold. We recommend going down one full size. If you are a half size, we recommend going down one full size and a half. For example, if you are a size 8 or 8.5, you would fit an ISlide size 7.

Youth sizing note:

ISlide sizes 2 through 6 are a true fit to Youth sizes 2 through 6. Please confirm if your child is a youth or adult size before using chart above.

Slides are navy blue as shown with logo on front and last name on outer sides. Make check payable to Randolph Recreation Boosters and mail to address shown. Be sure to indicate islide size, **NOT** shoe size, school grade and program (boys or girls). Check must be received by Oct 24. All sales are final – no returns.
