What is Little League Challenger?

Little League Challenger is a division of Little League that is designed for mentally and/or physically challenged children (ages 4-18), allowing them to play organized baseball. Playing on the same fields, with the same equipment, kids get to enjoy the benefit of pulling together as a team, being cheered on by fans, making new friends and earning awards for their experience.

How can I help the Jamboree?

The Little League Challenger Jamboree is funded via donations from the local businesses and private sponsors. 100% of funds raised will go directly to the Little League Challenger program and help make the day possible for these special children. Donations will help fund (but are not limited to): trophies and t-shirts for all participants, volunteer t-shirts, prizes, crafts and refreshments.

Sponsorship opportunities make it easy to help.

There are various levels of support*, with rewards including prominent display of corporate banners, vendor booths, hyperlinks on our Web page, big check presentations, regularly scheduled acknowledgement by our announcers.
