### Administration

Meeting Started at 7:31pm

Approved January Minutes - Motioned to approve by Eric Hampton. Seconded by Marc Lisak. So approved by All.

Need a new recording secretary, Chelsea Lewis stepped down.

### Treasury - Adam Tepper

We are trying to keep the costs low to balance out the lower registration fees for the past two seasons. Waiting on invoice from Sport About for baseball purchase. Matt is now able to receive mail from the P.O. Box.

### Sponsorships - Estella and Casey

Jerseys are being sent to print for all the sponsors on the back. Single team sponsor on the back of each team jersey. Deadline is Friday, February 19, 2021 to get them printed. Need to figure out a way to require sponsorships for each team to help support our league. It is difficult financially when teams do not get a sponsor.

*Fundraiser Card:* Cost will be \$20 per card with 15+ local businesses and restaurants. Each team will get 40 cards to sell. Whatever unsold cards they have will be returned. Top 10 sellers each get a \$100 Amazon Gift Card. Top team from baseball and the top team from softball will get a pizza party.

### Uniform Distribution - Estella (softball) and Kerry (baseball)

The uniforms have been purchased and the sponsors are being printed on the back of the jersey. All players are getting jerseys and hat. Sponsors will get a sponsor plaque if they are interested. Teams can coordinate getting a picture sent to the plaque company for the plaque.

## **LCYO Board Meeting Minutes -- February 16, 2020**

### **Team Parents - Monica (softball) and Kerry (baseball)**

Softball team parent meeting will take place Thursday, February 18, 2021. Will clarify what is expected of the season. Trophies will not be provided to players by league, if team parents want to gather funds to get them, that is okay.

Baseball team parent meeting date is still being decided.

### **Web, Communications, Registration - Donelle**

Minutes page was updated with all approved meeting minutes. New doodly videos have been uploaded to the COVID page and the Sponsorship page. Will post videos on Facebook.

Registration is finally slowing down. All divisions are full and no more adds can be made.

### **Softball - Marc and Div Directors**

Teams are practicing and things seem to be going well. Hopeful that the league will be able to open up to play games.

### **Baseball - Joey and Div Directors**

Teams are practicing and things seem to be going well.

Hopeful that the league will be able to open up to play games. If games do open up Joey thinks we need to address the teams that are larger in size that will need to figure out what to do about their players getting game play without too many kids sitting on the bench.

Tball parents are allowed to come on the field to take care of their kids when needed as long as they social distance and wear a mask.

### **Player Development - Cassidy**

Cassidy was not present at meeting but Matt mentioned he saw Kory from Big Fly and they said they are open if we want to try and plan a player development. To be decided on when this might happen.

### **Club Teams - Fabio**

Fabio was not present at meeting

### **Equipment - Dennis, Matt**

Dennis needs to make his softball equipment order.

Baseball did an equipment pickup on January 25th and the rest were picked up from Matt's house.

**Adjourn at 9:08pm.**
