LCYO Board Meeting Minutes -- September 21, 2020

Fields - Chris, Mike (softball) and Brook (baseball)

Softball:

LCH fields are being redone by the city. Batting cages and bullpen maintenance at Stagecoach are being talked about with the city.

Baseball:

Zone 5 needs a new pitching mound, fence repair behind home plate, and the 60 foot base pegs are damaged and need repair.

Softball - Marc and Div Directors

Matt Hannen was voted in as the new VP of Softball.

Ernie Oar would like to head a softball club team.

Registration for softball with USA Softball was completed for all coaches, they need to go in and submit their background check and complete the SafeSport training.

Baseball - VP's, Drew & Sharon and Div Directors

Drew was not present and Sharon was unable to talk. Joey discussed the issue of umpires for the season and ideas to get more umpires. Joey planned to reach out to Doug Fujikawa, the Southwest Region director for PONY, to see if he has any ideas of where to find umpires.

Suggestions by other board members were to reach out to the high schools to see if anyone would be interested in umpiring. It was decided on payment for umpires:

\$30-\$40 for Jr Umpires, \$40-\$50 for High School and \$50-\$60 for adults.

Lastly, Joey will put together an email to send to the league for umpire help and Donelle will send it out to the entire database for support.

Player Development

Umpire Clinic is going to take place mid-October by Eric at SMYB. Joey talked with him and he is willing to do it for free.

Adjourn at 8:37pm.
