Tournament Rules

PONY tournament rules for Mustang league play will apply, with the following clarifications:

- Players must be league-age 10 or younger. Based on Players age on April 30, 2018
- 65' bases. 46' pitching distance.
- During pool play, the home team will be determined by coin flip. During bracket play, the higher seed will be home. The home team will be required to keep the official book and will report scores to the Tournament Director at completion of the game. The higher seeded team in bracket play will be the home team.
- Dugouts are first come, first served. Only players and coaches will be allowed in the dugout during games. It is the team's responsibility to keep the dugouts clean, removing all litter after the game.
- No pre-game warm up on the infield is allowed.
- Games are six innings in length. The ten run mercy rule is in effect after four complete innings, or three and a half innings if the home team is ahead.
- No new inning will start after 1:45 hours of play. Games will terminate after 2:00 hours of play. Ties will be allowed in pool play. In bracket play, the final score of a tie game will revert to the last completed inning with a clear winner. If there is no clear winner the outcome will be determined by a coin flip. Semifinal and championship games will have no time limit.

- Umpires are empowered to eject any player, coach or fan for unsportsmanlike behavior or disruption of the tournament. Anyone ejected must leave the ball fields and have no contact of any kind with their team until the tournament is completed. Failure to comply may result in team's forfeiture of remaining games.
