

2019 All-Star Intent and Commitment Form

Players and Parents:

In order to prepare for our 2019 All-Star Season we would like to identify all eligible players who are interested in participating in All-Stars and understand the time commitment. **ALL players must complete the following information and submit your form by APRIL 29th to your manager.** Please understand that the completion of this application **does not** assure your child a place on the All-Star team. Further, selection to an All-Star team is a new process each year. Previous selection to an All-Star team does not ensure selection in each successive year.

The Little League All Star process requires your **FULL COMMITMENT**. We need to make sure you are available for all scheduled games and practices.

Timeline and Time Commitment Baseball:

Beginning June 2, 2019, I have no scheduled vacations, other sports, camps, or any other commitments that will interfere with my attendance at practices and games. Most teams will hold 2-hour practices daily. Only excused absences are allowed during the practice period. Teams may also decide to participate in a practice tournament prior to the District 27 tournament.

We agree to not schedule vacation or other activities that will interfere with our child's ability to attend practices and games during the full All-Star period as noted below. All-Star Tournaments are double elimination.
