## QUICK REFERENCE RULES

» Head coaches meet umpire at plate before game time to review ground rules. Decide if automatic outs will be taken if opposing team <b>starts</b> with less than 9 players.	» Each team keeps a scorebook, though the home book is official. It is strongly suggested that the head coach does not keep score for his or her team.
» There is no Abandonment rule. Batters that show no effort to advance to 1st base on a dropped 3rd strike are not out and may be coached to attempt 1st base.	» Field playability is first determined by the city/county that controls the park. In the event of rain, wind or other game-altering event, it is the discretion of the umpire, in consultation with coaches, on whether to continue play or suspend the game.
» Use two-out runner for pitcher & catcher. The runner will be the last recorded player out, whether that was a strike out or put-out.	
» Limit time between innings to two minutes. Pitcher gets 6 warm-up pitches.	» If a game is suspended before 3.5 innings (with the home team leading) or 4 innings (with the visiting team leading), the game will be resumed at a later date from the point it was halted. Resumption should take place prior to the teams' next scheduled meeting. If teams do not meet again; game should continue on an open date for both teams.
» One pitch constitutes an inning. Starting pitcher may re-enter as a pitcher once after he is relieved.	
» No intentional walks.	
» Baserunners may advance until timeout is granted by the umpire.
