QUICK REFERENCE BYLAWS/RULES

- » One pitch constitutes an inning. Starting pitcher may re-enter as a pitcher once after he is relieved.
- » When the ball is in play, baserunners may advance until the ball is controlled by an infielder and timeout is granted by the umpire.
- » Baserunners are allowed to steal home on a passed ball/wild pitch/overthrow the entire season.
- » No delayed steals. A baserunner cannot advance if he has stopped his progress prior to the pitcher receiving the ball back from a teammate.
- » Bunting is allowed.
- » No intentional walks.
- » Use two-out runner for catcher.
- » Limit time between innings to 2 minutes & 6 warm-up pitches.
- » Each team keeps a scorebook, though the home book is official. It is strongly suggested that the head coach does not keep score for his or her team.
- » Field playability is first and foremost determined by the city/county that controls the park. In the event of rain, wind, or other game-altering event, it is the discretion of the umpire, in consultation with coaches, on whether to continue play or suspend the game.
- » If a game is suspended before 3.5 innings (with the home team leading) or 4 innings (with the visiting team leading), the game will be resumed at a later date from the point it was halted. Resumption should take place prior to the teams' next scheduled meeting. If teams do not meet again, game should continue on an open date for both teams.
