

How to Report Game Results on www.HYBS.org

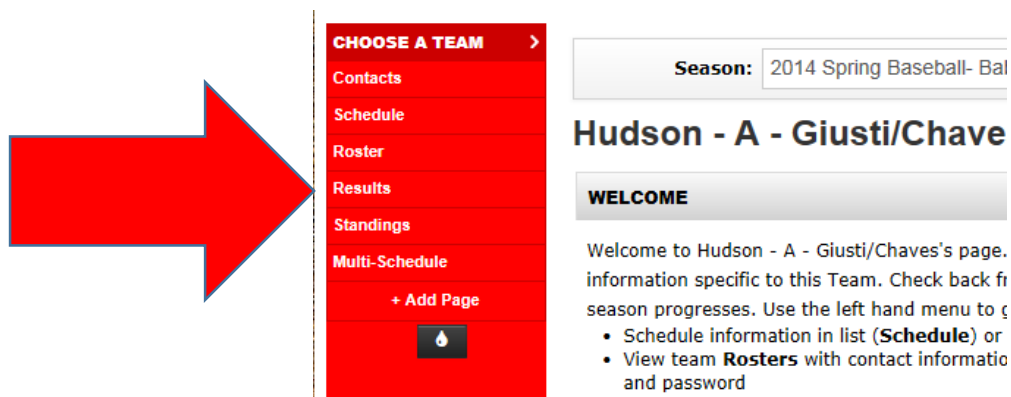

- Log into your account on www.hybs.org. If you are a coach your admin settings allow you to update scores. If you do not know your password use the “forgot” feature.

- Once logged in use the “Team” menu to navigate to your team.

- Once at your team click on the “Results” option on the left hand side menu.

- Select the game you want to report by clicking the orange button  under "Actions"
