## About the Scott County Softball Club

The SC Softball Club seeks to instill in the girls: ideals of good sportsmanship, honesty, loyalty, courage, and respect for and of authority so they may be finer, stronger, and happier girls who will grow to be good clean healthy adults. This objective will be reached by providing supervised competitive athletic games. The supervisors, coaches, parents, volunteers and spectators shall always bear in mind that the attainment of exceptional athletic skill or the winning of games is secondary and the molding of future citizens is the prime importance.

Sponsoring Scott County Softball Club would enable the league to continue to prepare our children to be responsible adults.

## Central Kentucky Special Olympic Softball

The Special Olympics mission is to provide year-round sport training and athletic competition in a variety of Olympic-type sports for children and adults with intellectual disability by giving them continuing opportunities to develop physical fitness, demonstrate courage, experience joy and participate in a sharing of gifts, skills and friendship with their families, other Special Olympics athletes and community.

Special Olympics was founded on the belief that people with intellectual disability can, with proper instruction and encouragement, learn, enjoy and benefit from participation in individual and team sports. Scott County Softball Club has offered a safe environment.

## Adult Softball League

Softball isn't just for girls. SC Softball Club offers leagues for just about everyone. Our Adult slow-pitch league is the home to our Men's, Co-ed and Co-ed Church leagues to local and teams from around Central Kentucky. Additionally, we will be offering a 25 year old and under and a 55+ leagues in the future.

## A sponsorship means being part of something GREAT!

### Scott County Softball Club Affects the lives of:

- 400+ Recreational softball girls 4-18
