

Elgin National Little League Sponsorship Form

Elgin National Little League is youth baseball and softball organization. Last year we had over 30 teams with over 275 youths, ages 5 – 16, participate in our baseball and softball programs. Given the growth in our community, and increased promotion of our league, we are planning for even more player participation and tournaments this year! ENLL has a long history of excellence and it is the generosity of our sponsors and volunteers that make this possible.
