

2019 Sponsorship Opportunity

Sponsorship of Elgin National Little League supports non-profit youth baseball and softball for nearly 250 boys and girls. Youth ages 5-16 participate from April to October, learning the fundamentals of teamwork, developing their athletic ability and building life skills.

On summer nights, the Elgin National fields host up to 8 games with nearly 100 participating families from Elgin and the surrounding northwest suburbs. During tournament weekends, your sponsorship signage could be seen by up to 300 people attending an exciting weekend of softball and baseball.

Expanded the sponsorship opportunities include new ways to reach your customers:

- Signage along Summit Street (Route 58) showcases your business to thousands of drivers
- Social media sponsor posts reach the League's hundreds of Facebook followers
- Opening day ceremony recognition reaches spring ball families and guests
- Website links bring ENLL families and visiting teams right to your business
