

Hoover Bucs Youth Cheer Family,

We want your cheerleader to join us this Fall 2020! Many of you have reached out with question regarding registration and the plan for cheer this fall. Most asked question...when will registration open? Good News...Cheer Registration will open today, April 15th – June 1st! More details on cost and the season below. Next...will football season happen this fall? Short answer is “we simply don’t know”. This is such a strange time but we are *hopeful* that football season will still be happening in the fall. First, the safety and well-being of the girls is certainly our number one priority every season and the 2020 season is no exception. We will be following all CDC and State guidelines in relation to youth sports safety and infection prevention. We certainly cannot predict the future but as of now, we are planning for the season to be played. We do want to ensure parents that if the season is cancelled for any reason prior to the 4th game we will refund your registration fee (less uniform cost for cheerleading). As an organization, we are willing to accept the financial risk to ensure that you feel comfortable registering your daughter for the fall cheer season. If you are on the fence, we advise you to go ahead and register so your daughter does not miss out. Late registration is not allowed because of timing needed to order uniforms. Uniform fitting will most likely be done virtually and is mandatory. Date and time is listed below. Once they are ordered, however, refunds will not be available for the cost of the uniform. Please go ahead and register if you are able. This helps us gauge our next steps and ensure we have everything we need for the upcoming season.

Now for the important details:

Hoover Bucs Youth Cheer (HBYC) aims to package an athletic cheer program combining energy, exercise, atmosphere, personal responsibility and cheer excellence! Our #1 goal is for our girls is to gain confidence and love the sport of cheerleading. We accomplish all of this through sideline cheer and end of the season competitions.
