

GREENBUSH SOCCER CLUB

Sponsorship Program (2020 Calendar Year)

Greenbush Soccer exists to allow the youth of our community to have fun and enjoy the game of soccer. We strive to provide a safe and encouraging environment in which kids of all experience and skill levels can enjoy healthy exercise and competition on a soccer team. We seek to provide appropriate skill building and competition to challenge our players as grow to love the game.

Since 1972, the Greenbush Youth Soccer Club has operated as a non-profit organization with the goal of providing all kids from our local community a place to have fun learning the game of soccer, improving their soccer skills, and taking their game as far as they can. We continue to grow, with over 900 kids now playing recreational or travel soccer in the club.

In an effort to keep pace with our growth and remain a club that provides quality soccer at an affordable price, we are reaching out to local businesses who may want to support local soccer. If you or your business is interested in supporting the club, and assisting us in adding field space, parking space, repairing/renovating facilities, and providing opportunities for kids to enjoy the game, please consider becoming a sponsor.

Please contact us at greenbushsc@gmail.com for additional information or assistance in customizing a sponsorship package. Sponsorships are tax-deductible. We will provide a letter confirming your donation for tax records. See below regarding sponsorship options, complete the form and mail it with payment.

Donations cover the entire 2020 calendar year, which includes Spring and Fall soccer seasons (e.g. business name on soccer jerseys for spring and fall 2020 teams).
