Greenbush Soccer exists to allow the youth of our community to have fun and enjoy the game of soccer. Founded in 1972, as a community-based club, we have grown into a competitive, advance travel program that competes at some of the highest levels of in New York State and the Northeast Region. The goal of Greenbush SC is to provide our local players with quality coaching and high competition levels at very reasonable costs. With better player development at the youngest ages, we expect our teams to grow in skill and competitive success from year to year.
