2. Each game will consist of 6 innings or 1 hour and 30 minutes, whichever comes first. No game will end in the middle of an inning. Home plate umpire will call official start time of game out loud at the beginning of the game.
3. Regular season games can end in a tie after 1 hour and 30 minutes of play or 6 complete innings whichever comes first.
4. In the event of inclement weather, 4 innings constitutes a complete game. If the home team is ahead, 3 and 1/2 innings constitutes a complete game.
5. If a game is suspended, the completion of the game will be rescheduled and played to the length of time remaining or completion of the innings, whichever comes first. The rescheduled game will pick up where the original game left off and the game will resume until complete.
6. The first game will start at 5:45 pm. All warm ups must be done before game time. The second game is to start as scheduled or immediately after the first game is completed. If it is past the scheduled start time, then no on field warm ups will be permitted. Games with 5:45 pm start time will have on field practice time divided as follows: visitors 5:15 to 5:30 pm and home team 5:30 to 5:45 pm. Teams involved in the second game will divide the time equally before the scheduled start time.
7. An official 12 inch hard ball will be used in the league and tournament play.
8. All bats must be stamped with 1.20 bpf. These are the only approved bats per the Little League Softball rulebook.
9. Coaches are not allowed to aid a runner by touching the runner in any manner until time has been called or play has been stopped by the umpire(s). If the coach aids the runner by touching her, a warning will be given by the umpire(s). After one team warning, it will be an automatic out on the next infraction of this rule.
10. The batting order shall be exchanged between teams prior to the start of the game and must be followed for the entire game. The lineup will include the following: players first and last names and corresponding uniform number.

Any team fielding less than 7 players will automatically forfeit the game. If a game has been declared a forfeit, a practice game can still be played with available players. The games will include umpire(s) as in a normal game situation. All rules will still be in effect with the exception of no outs being taken in the batting order. Game may be ended early, if Board of Directors needs the field to keep the games on schedule. No practice games will occur during tournament play.
12. If before any regular season game, a team is unable to field a full team of 9 players a maximum of two fill-in players may be used according to the following: A fill-in player must be league age 10 to fill in the 9-10 league. The 10U League Manager will provide a list of available players to the 12U League Manager or the Board of Directors prior to the first rain out date. If needed before that date, League Managers or Board of Directors can make exceptions as needed.

17. If a team with a fill-in player(s) (which makes up 9 players) has a roster player show up late to the game, but before the 5th inning, the result is the roster player being added to the lineup and fill-in player removed from game so as not to go over 9 players.
18. A board member on duty will handle any issues regarding fill-in players before the game. If an issue cannot be resolved before the start of the game, no fill-in player will be allowed to join that game.
19. No fill-in players will be allowed in tournament play . Any exceptions to this rule will need to be approved by the Smithville Board of Directors.

The base runner is the last at bat player for the batting team. The first hitter is the next at bat in the batting order. Should another inning be required, each team starts with two (2) outs and a base runner on 3rd base. This will continue until the tie is broken. Each extra inning is unlimited runs.

43. Injuries are not considered a time out.
44. There will be one team warning per game for any player that throws a bat. All players throwing the bat will be called out. When the out is called, it will be considered a dead ball. No runners may advance. No runners may score. This will be a judgement call made by the umpire(s).
45. Overthrown balls outside of baselines will be played out if the ball remains inside the fence. When a live ball is thrown outside the fence or in a team dugout, the runners will get one extra base.
46. When the lead runner is stopped, the pitcher is in the circle, and in possession of the ball, the base runner(s) shall not leave their base(s) until the pitched ball is released by the pitcher.. Failure to adhere to this rule will result in a team warning on the first offense. After one team warning the base runner(s) will be called out. If the violation is the 3rd out in the inning, the current batter will be the first batter of the next inning. This is a judgment call made by the umpire and is not disputable.
47. Base runners may advance to the next base at their own risk on any live ball.
48. Base runners may advance to the next base if they are over halfway mark between bases when time is called by the umpire.
49. Leading off is allowed once the pitched ball is released by the pitcher.
50. A runner may steal a base once the ball crosses home plate. However, a runner on third base MAY NOT steal home. Each runner is allowed ONE base per pitch on a steal. An overthrown ball on a steal WILL NOT result in extra bases.

51. A runner on any base MAY advance ONE base if the catcher places the ball back into play after it crosses home plate.
- Example #1: If there is a runner on first base and third base. If the runner on first base attempts to steal second and the ball is thrown to second, the runner stealing second MAY NOT advance to third. However, the runner on third MAY attempt to advance home on the throw.

- If the 2nd pitch is a foul ball, the coach will continue to pitch to this batter as long as the batter continues to hit foul balls.
 - Coaches will pitch from 35 feet.
 - Base runners are allowed to leave the base once the pitched ball is released by the pitcher, but may NOT advance without contact being made by the batter. Base runners need to return to their base before the next pitch. Not doing so will result in an out called by the umpire(s).
